Sleepwalk, 2003-04 32 Stories Adrian Tomine, 2022-05-20 Between the ages of seventeen and twenty Adrian Tomine self-published a series of mini-comics small hand-assembled booklets that he wrote drew and distributed himself Entitled *Optic Nerve* these comics were comprised of short vignettes and stories which displayed a youthful energy an unabashed sense of experimentation and the first hints of the distinctive realist style that Tomine would go on to perfect Over the course of those three years word of mouth spread about these comics and something that began as a teenage hobby was recognized as the arrival of a promising new talent By 1994 *Drawn Quarterly* had taken over the publishing of Tomine's comics and these original seven issues sold out and were left out of print *32 Stories* presents those rare early mini-comics for the first time in archival facsimile form all seven issues in their entirety faithfully reproduced and collected in one box Also included in this edition a supplementary booklet containing unpublished artwork unseen photos and new introductions by Adrian Tomine and publisher Chris Oliveros **A Visit to Priapus and Other Stories** Glenway Wescott, 2013-11-29 Just as E M

Forster's novel of gay love *Maurice* remained unpublished throughout his lifetime Glenway Wescott's long story *A Visit to Priapus* was also destined to be a posthumous work buried from 1938 until this century in Wescott's massive archive of manuscripts journals notebooks and letters The autobiographical story is about a literary man frustrated in love who puts aside his pride and makes a date with a young artist in Maine Lavishly rendered in Wescott's elegant prose the tale is explicit where it needs to be but as is typical of Wescott it is filled with descriptive beauty and introspective lessons about sex and sexuality love and creativity Previously published in anthology form in the United Kingdom *A Visit to Priapus* is presented for the first time in book form in America containing previously uncollected stories including three never before published The result is a candid portrayal of the gifted but enigmatic writer who was famous in youth and remained a perceptive and compassionate voice throughout his long life Drawn together from midcentury literary journals and magazines of the 1920s and 1930s as well as from Wescott's papers the stories were inspired by his life from childhood to old age from Wisconsin farm country to New York London Germany and Paris Finalist Gay General Fiction Lambda Literary Awards The Cambridge Companion to the American Graphic Novel Jan Baetens, Hugo Frey, Fabrice Leroy, 2023-09-28 The *Cambridge Companion to the American Graphic Novel* explores the important role of the graphic novel in reflecting American society and in the shaping of the American imagination Using key examples this volume reviews the historical development of various subgenres within the graphic novel tradition and examines how graphic novelists have created multiple and different
