**Popular Photography** ,2006-05 **The Cultural World of Eleonora di Toledo** Konrad Eisenbichler, 2017-07-05 Eleonora di Toledo was a powerful and influential woman who over the course of nearly a quarter century 1539 62 contributed profoundly to the cultural flowering of ducal Florence Her patronage of some of the leading artists of the time her support of newly arrived Jesuit preachers her involvement in charitable activities her unfailing devotion to her husband

and his policies not to mention her successful farming and business ventures are only some of the areas where her influence was unambiguously exercised and felt She also provided the House of Medici with a full stable of children to re invigorate the failing family line ensure male succession even in the face of unexpected calamities and provide enough females to establish marriage connections with a variety of noble and ruling houses in Italy In spite of all these contributions Eleonora has attracted little attention from scholars This apparent disinterest may be a factor of Eleonora s personal style or of the bad press that as a Spanish noblewoman she quickly received from her Florentine subjects or of modern antipathy for some of the basic characteristics of ducal Florence An examination of her impact on Tuscany is long overdue In fact a fuller more nuanced understanding of the duchess can shed a more profound light not only on her as a person or on her impact on Tuscan culture in the sixteenth century but also on the contribution of female consorts to the vitality of a successful early modern state The essays collected here bring together a variety of scholars working in various disciplines While many of the articles take their cue from art history a natural reflection of the innovative research recent art historians have carried out on the duchess they also reach out towards other disciplines political history literature spectacle and religion to mention just a few In so doing they expand our understanding of Eleonora s place in her society and reveal a very complex

*How to Make Money Selling Photos Online* Bri,2015-05-01 Have you ever taken photos or you are the type that enjoys drawing and editing photos with a specific editing tool I can assume that the answer is definite but have you ever considered how much money you can make selling photos online For a very long time photography as a moneymaking career has been left to the professionals with connections in the market Whether you are doing photography either for fun as a hobby or for professional reasons you can make quite an unusual fortune by selling them online Online business is growing at an exponential rate thanks to the availability of internet technology that has made this so possible With the kind of market potential available at our disposal it is quite saddening how such an opportunity is never exploited to its full potential Have you ever considered how many photos you have idle on your hard drive that could make you a fortune by selling them online As the market size gets bigger and bigger with the demand for photos increasing by the day you ought to consider using this opportunity to your advantage
