Cowan, 2019-01-29 Magic Monsters and Make Believe Heroes looks at fantasy film television and participative culture as evidence of our ongoing need for a mythic vision for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story Why do we tell and retell the same stories over and over when we know they can't possibly be true Contrary to popular belief it's not because pop culture has run out of good ideas Rather it is precisely because these stories are so fantastic some resonating so deeply that we elevate them to the status of religion Illuminating everything from Buffy the Vampire Slayer to Dungeons and Dragons and from Drunken Master to Mad Max Douglas E Cowan offers a modern manifesto for why and how mythology remains a vital force today **His Name was David Freeman** Ruth Kipnis, 2016-09-15 With the sudden death of his father seventeen year old David is forced to leave the security of the estate his father managed in Prussia in search of an uncle living near Kiev in the Ukraine Carrying with him the dream of owning a grand farm of his own someday Fate plays into his hands as he's given the opportunity to immigrate to America taking with him his new bride In telling his story to his granddaughter he relives the joys the sorrows and the hardships of raising a family in a world strange to him The story traces David's family through the second and third generations from the 1880's of the Russian Czars to 1960's in America Keywords Ellis Island Immigration Voyage Anti-Semitism Russia Tzar Farm Family First Generation World War I and II **Snow White and the Dragon (or, Sleeping Beauty and the Seven Dwarfs)** Kim Bussing, 2025-03-04 What would happen if Sleeping Beauty had to create a poisoned apple and Snow White faced off against a dragon Fairy tales meet Freaky Friday in this series where there's a magical mix up for every princess As a baby Rose was cursed to meet a mysterious fate on her thirteenth birthday but no one bothered to tell Rose that until now a week before she turns thirteen And a week's not nearly enough time to figure out what to do when she's suddenly whisked from her Dreamwood cottage to a strange palace trapped with an evil queen who hands her an apple Princess Snow is preparing for the ceremony that will prove she's fit to rule her kingdom The problem Her wicked stepmother The other problem Without warning she finds herself in the middle of the Dreamwood where on top of all her other problems she has to worry about a sleeping curse Happily ever after couldn't feel farther away Can Rose escape the curse that's followed her since birth And can Snow save her kingdom from her stepmother For other Princess Swaps don't miss Cinderella and the Beast or Beauty and the Glass Slipper **RKO Radio Pictures Horror, Science Fiction and Fantasy Films, 1929-1956** Michael R.
