**The Connection** Romona Kolma,2022-06-10 The Lord wants a connection with His people He doesn't want us to do the work completely on our own He doesn't want us to move ahead of him and He does not want us to lag behind He wants our cooperation in completing the work He has begun in us When we lose our focus on Him and we try to fix the problem ourselves or we cannot see when He will fulfill His promise to us so we move ahead of Him thinking we are helping All of a sudden we find ourselves in the middle of disasters confusion and bewilderment It is at those very times when we let go that He then will reach down and pull us up He can and will connect us back to Him when we let go of our plans and allow His plans to shine through you It's our willingness to surrender ourselves for His purposes This is a statement I read that sums it all up The Lord has a great work to be done and He will bequeath the most in the future life to those who do the most faithful willing service in the present life The Lord chooses His own agents and each day under different circumstances He gives them a trial in His plan of operation In each truehearted endeavor to work out His plan He chooses His agents not because they are perfect but because through a connection with Him they may gain perfection BLJ 277 2

**I am Making a U Turn in My Life** Martha Anderson,

**Applying Old Stories to New Lives** Tina Durham,2011-03-25 This book is based on my prayerful meditations on what the old stories must mean to us in the everyday present world In our time we have historians and scientist all running around attempting to demonstrate whether the stories are true or if they could even be accurate The religious leaders always state that we use our faith with these stories in these times of faith questioning and proving not be a doubting Thomas in these times We do not have to see the scars or the proof we believe because of the unseen The intent of this book is not to change the real meanings in the Bible but to make us think about the simple parts Relying on the old trait of finding meaning and symbolism in literature I have examined these stories As you read the stories in scripture and the version of interpretation that I have found ask yourself what is God saying to you Scripture is the love letter from a friend God He speaks to each of us differently and with different directions these may not trigger the same thoughts in your understanding but if they bring cause for you to examine the word then I have been successful As you begin to read this book be prepared to ask yourself questions Be prepared to listen to what God is telling you So often we read a story and that is the story we never revisit it But the Bible is not like a regular book it can be read over and over each time

revealing something more intriguing than the last The layout of this book is to first consider who we are what our role is in this vast community of people Then I move through a section imaging how we interact and learn to live in Gods love and grace Finally I discuss some of our daily activities such as work school home ownership and voting
