So Unreal:

The Complete Works of D. H. Lawrence D. H. Lawrence, 2023-11-09 D H Lawrence's The Complete Works of D H Lawrence serves as a monumental testament to his literary prowess and philosophical depth. This comprehensive collection encompasses a rich tapestry of novels, poems, essays, and plays reflecting Lawrence's fervent examination of the human condition, sexuality, and the intricate relationships between individuals and nature. His modernist style, characterized by vivid imagery and psychological insight, immerses the reader in a world where emotional intensity and existential dilemmas abound, revealing the struggles inherent in society's conventions. Contextually, Lawrence emerges from the tumultuous early 20th century, a period marked by rapid societal changes and burgeoning existential thought that profoundly influenced his writing. D H Lawrence (1885-1930) was a prominent English writer and controversial figure known for his avant-garde ideas and exploration of taboo themes. Growing up in the coal-mining district of Eastwood, Nottinghamshire, his experiences shaped his profound insight into class struggle, gender dynamics, and the conflicts between industrialization and nature. Lawrence's contentious views on morality and his quest for authenticity in human relationships often put him at odds with the prevailing norms of his time, thus coloring his literary output with a sense of urgency and risk. Readers seeking an exploration of the complexities of existence and the rawness of human emotions will find The Complete Works of D H Lawrence indispensable. This collection invites readers to delve into Lawrence's multifaceted world, where every page presents a challenge to conventional thought and encourages a deeper understanding of the self and society. As a seminal figure in modern literature, Lawrence's works remain relevant today, offering fresh insights into the timeless nature of human experience.

Rain and Moon Dibyendu Mrugaraj, 2015-08-27 When a potential Urban Planner decides to dedicate rest of his life for filmmaking, he is attacked by questions mostly by himself, if not by others. At the age of twenty, a kid from a typical middleclass Indian family when takes that desiccation for himself, he creates a ripple effect for the people surrounding him. He waits to see the ripple turn into tsunami with constant counterproductive forces like insecurity, self-doubt, creative block, ego, etc. that modifies his behaviour to cause catastrophic effects like loss of love, broken friendship, detachment from family, isolation, and even detachment from his own passion. In a faraway Himalayan land while living with a self-exile mentality, he attempts to retrospect his past with the little will, power, and optimism that's left. One last and deliberate attempt to cure his mental block, he devises a creative instrument that would take him and us towards enigmatic dimensions. It's the story of a man who wants to be a film maker and who constantly tries to justify to himself regarding why he wants to do so. It's the story of an accidental expressionist. Part of the story's dramatisation is available as a video called IRRATIONAL: A Retro Dream on YouTube.com.
