SO YOU WANT TO LIVE IN A SMALL TOWN Allan and Rosemary Young,2012-10-28 SO YOU WANT TO LIVE IN A SMALL TOWN By Allan and Rosemary Young Allan and Rosemary Young grew up in the country just outside small towns Then after living in larger towns and cities they were seeking that elusive dream of the real America as sung about by country western singers and written about by poets What they found of course were all the problems of the cities just rearranged as well as lots of unexpected joys but very little of what they remembered from their younger days when things happened which they did not know about or were just too young to remember They weren t exactly seeking their roots since they didn t want to return to either of the towns from which they came so they deliberately selected one in between then another and another They actually lived in three small towns over the next few years each offering distinct advantages and distinct disadvantages as well

The Last of the Whampoa Breed Pang-Yuan Chi,David Der-wei Wang,2003-12-10 Whampoa Military Academy was China s first modern military institution For decades the Spirit of Whampoa was invoked as the highest praise to all Chinese soldiers who guarded their nation heroically But of all the battles these soldiers have fought the most challenging one was the civil war that resulted in the great divide of China in the mid twentieth century In 1949 the Communists exiled a million soldiers and their families to compounds in Taiwan and cut off communication with mainland China for forty years The Last of the Whampoa Breed tells the stories of the exiles written by their descendants many of whom have become Taiwan s most important authors The book is an important addition to the vastly underrepresented literature of Taiwan in translation and sheds light on the complex relationship between Taiwan and the People s Republic of China Western readers will not at first recognize the experiences of these soldiers who

were severed from a traditional past only to face unfulfilled promises and uncertain futures Many of the exiles were doomed to live and die homeless and loveless Yet these life stories reveal a magnanimous natural dignity that has transcended prolonged mental suffering I Wanted to Go to War describes the sadly ineffectual even comic attempts to recapture the mainland The old soldier in Tale of Two Strangers asks to have his ashes scattered over both the land of his dreams and the island that has sheltered him for forty years Some of the stories recount efforts to make peace with life in Taiwan as in Valley of Hesitation and the second generation s struggles to find a place in the native island society as in The Vanishing Ball and In Remembrance of My Buddies from the Military Compound Narrating the homeland remembered and the homeland in reality the stories in this book affirm that we shall not let history be burned to mere ashes **Proceedings of the Engineers'**
