Mays,2015-08-04 Benjamin E Mays 1894 1984 was President and Professor Emeritus of Morehouse College **A Language for the Soul** Stuart C. Devenish,2024-10-24 This volume offers Christian spiritual instructors a language for the soul uncovered from the storehouses of Christianity s ancient living spiritual tradition That language describes the deep soul movements that unfold in the interior life of believers in response to the Divine invitation It presents an accessible language of the soul for use in today s professional educational ministerial and everyday life situations The end product is an experiential dictionary comprised of sixty word concepts which name and explore the inward human reactions to the whispering of God s Spirit Those reactions result from inward desires that lead to the embrace of faith the quest for consecration and the journey of discipleship Nurturing these intra personal choices and commitments is the central task of Christian ministry but many faith instructors remain unaware of these critical inner life processes More than other resources available today this experiential dictionary informs enriches and intensifies the spiritual journeys of genuine disciples and seekers The volume is tailored for seminaries churches schools and community settings It has application to the training of ministry leaders the instruction of believers and in supporting the growing number of secular mystics who are open to merging their journeys of self discovery with the quest for Christ discovery *Pneumatology at the Beginning of the Third Millennium* Kevin Wagner,Peter John McGregor,M. Isabell Naumann,2023-12-01 The Holy Spirit who worked on the first Christian Pentecost continues to work in the church and the world today This being so the field of pneumatology the theology of the Holy Spirit should pique the interest of both the average Christian and the academic theologian perhaps more than it has in recent times This collection of chapters brings pneumatology into conversation with a wide variety of disciplines including scripture patristic and medieval

theology and history The result is a scholarly monograph that enriches both pneumatology and the fields with which each contributor engages Furthermore with its attention on the work of the Spirit in the sacraments and the life of the church Pneumatology at the Beginning of the Third Millennium will help pastors and catechists in their ministries to understand more deeply the riches of the theology of the Third Person of the Trinity **Illume: Mysteries of Light** Philip Krill,2019-01-31 In 2002 St Pope John Paul II added the Luminous Mysteries to the rosary writing that the whole mystery of Christ is a mystery of light He is the light of the world Jn 8 12 ILLUME is a contemplative reflection upon the Luminous Mysteries in the life of Jesus written in a lectio divina key inviting us to enter into the Uncreated Light of the Most Holy Trinity **The Evolution of a Pentecostal Scholar** Martin Mittelstadt,2024-10-14 This collection of previously published essays reveals a personal journey Two decades ago I could not have anticipated the twenty first century theological and methodological shifts in biblical studies In these essays I encourage readers to observe my evolution by way of adventures in Luke Acts In so doing I invite readers to reimagine a story not simply about the past but rich with possibilities **The Scandal of Pentecost** Wolfgang Vondey,2023-10-19 Through a systematic analysis of the conflicts emerging when the public church encounters the public world The Scandal of Pentecost argues that the public advent of the church stands in continuity with the public scandal of the incarnate and crucified Christ The book traces the contours of this scandal in the confrontation of the dominant ruling hermeneutic of authority with a Christian hermeneutic of resistance This highlights the brokenness of the human condition manifested by the church in the drunkenness of the disciples the speaking in other tongues the baptism with the Spirit the empowerment of the flesh and its public witness to a scandalized world The effects of the scandal transform both the disciples individual and communal witness and their public recognition as the church Through the lens of a symbolic hermeneutic the public witness of the church at Pentecost reveals a Christian scandal of anthropological proportions with the outpouring of the Spirit on all flesh the church emerges as the symbol of humanity **Evangelism and the Openness of God** Vaughn W. Baker,2012-12-18 Argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Back **Drunk in the Spirit** Merrill G. Greene,2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one s own cherished stories **Baptized in the Spirit** Randy Clark,2017-05-16 To operate in the fullness of God s supernatural power with signs wonders miracles healings and

deliverance every believer needs to know the availability of Spirit baptism and the simple process to receiving it

Engaging the Doctrine of the Holy Spirit Matthew Levering, 2016-07-19 A Distinguished Theologian on the Doctrine of the Holy Spirit Distinguished theologian Matthew Levering offers a historical examination of the doctrine of the Holy Spirit defending an Augustinian model against various contemporary theological views A companion piece to Levering's *Engaging the Doctrine of Revelation* this work critically engages contemporary and classical doctrines of the Holy Spirit in dialogue with Orthodox and Reformed interlocutors Levering makes a strong dogmatic case for conceiving of the Holy Spirit as love between Father and Son given to the people of God as a gift

The Legacy of Pope John Paul II Alan Schreck, 2012 Popes are the Church's chief shepherds While some focused on governing the Church and addressing challenges from the world others recognized their primary responsibility to proclaim and teach the Gospel Author Alan Schreck calls these the teaching popes and John Paul II was such a pope leading the Church and impacting the world with his witness and his teaching The encyclical letter has been in modern times the instrument for popes to express their most important teaching teachings that have lasting value for the Church and often for the whole world Dr Schreck invites the reader to become familiar with the encyclical letters of Pope John Paul II In *The Legacy of Pope John Paul II* Dr Schreck breaks down more scholarly writing into accessible language The reflection questions and suggestions for further reading at the end of each chapter help facilitate a systematic study of the central teachings of this brilliant but pastoral pope who conveyed the truth in love

Touched by Christ: The Sacramental Economy Lawrence Feingold, 2021-05-07 The sacramental economy was instituted by Christ and entrusted to His Church in order to build up the Body of Christ in a twofold communion binding the members together with God and one another *Touched by Christ: The Sacramental Economy* is an introductory course on Sacramental Theology suitable for all who seek a deeper understanding of how the Church's sacraments constitute channels of grace nurture supernatural life and heal us from our sins Lawrence Feingold expertly describes the nature of the sacraments their purpose fittingness and relationship with Christ and the New Covenant their relationship with the Old Covenant rites that prefigured them the character and grace that they communicate and the nature of their causality *Touched by Christ* shows that the

sacraments of the New Covenant should be understood as instruments of Christ's humanity that are used as words of power to communicate the sanctification that they signify infuse grace communicate the Holy Spirit and build up ecclesial communion in those who receive them with the right dispositions **Lord, Renew Your Wonders** Damian Stayne, 2017-09-01 At the beginning of the Second Vatican Council Blessed Pope John XXIII offered a prayer asking the Holy Spirit to Renew your wonders in our time as though for a new Pentecost The rediscovery of the charismatic gifts by ordinary Catholics throughout the world was an answer to that prayer Damian Stayne who is known internationally for his healing ministry shows readers how the spiritual gifts of prophecy healing and deliverance were used by Jesus the early Church and the saints and why we need them operating in the Church today He provides not only amazing stories of God's presence and work in our time but also a host of practical instructions on how to grow in these gifts This book is both inspiring and a challenge to Catholics to be open to the gifts of the Spirit in order to bring others to Christ Eternal Shadows or Shadow Makers Fr. Steve Peterson OSJ, 2012-07 Everything in the solar system casts a shadow except the sun All living beings are born live and die with their shadow But unlike other creatures man can choose to rise above his shadow and reach for something greater In *Beyond the Shadows* Fr Peterson's childhood longing to fly becomes a prayer that leads him on a spiritual journey to transcend fear and darkness guided by the only source without a shadow God Living the Truth in Love Janet Smith, 2015-07-08 *Living the Truth in Love* grew out of the desire to provide answers to the questions posed for the Synod on Marriage called by Pope Francis How can the Christian community give pastoral attention to families with persons with same sex attraction While avoiding any unjust discrimination how can the Church give such persons pastoral care in light of the Gospel How can God's will be proposed to them in their situation People who want to be instruments of Christ's love to those who experience same sex attraction SSA seek guidance on how best to do so They need to listen to the stories of those who experience SSA and the stories of those who have accompanied them on their journeys They also need to ground their responses in a genuine Christian understanding of the human person and of human sexuality This volume includes essays that lay out the Christian view of the human person and of human sexuality essays that challenge the bifurcation of sexualities into heterosexual and homosexual Topics include an explanation of the meaning of the word disorder a discussion of the therapeutic power of friendship and an application of Saint John Paul II's personalism to the question of same sex attraction Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ's healing love Several of those who experience SSA tell their touching and inspiring stories *Catholicism and the Spirit* Stephen Ebo Annan, 2018-02-22 The resurgence of Pentecostal charismatic Christianity epitomized in the global South has thrown Catholicism back on itself and has challenged it to reassess its ecclesial self understanding The Catholic Church has been accused of having forgotten the Spirit Despite the progress made by the Catholic Church to redress this so called pneumatological deficit it nonetheless remains the case that Roman

Catholicism and charismatic Christianity seems to be mutually exclusive Why and how does the Roman Catholic Church today still lack a fully developed pneumatological charismatic ecclesiology Catholicism and the Spirit sets out to address such questions and argues that the Church must overcome its ultraconservatism and re envision a robust Spirit led ecclesiology to meet the demands of ecclesial renewal

Christian Peoples of the Spirit Stanley M. Burgess, 2011-07-25 Among all groups in Christendom the Pentecostal Charismatic movement is second in size only to the Roman Catholic Church with growth that shows no signs of abatement Its adherents declare the Pentecostal Movement which began at Azusa Street in 1906 to be unprecedented in Christian history since the first century of the Church in its embrace of manifestations of the Holy Spirit such as divine healing miracles and speaking in tongues Yet although it may be unprecedented in size and rate of growth Stanley M Burgess argues that is hardly unprecedented in concept In *Christian Peoples of the Spirit* Burgess collects documentary evidence for two thousand years of individuals and groups who have evidenced Pentecostal charismatic like spiritual giftings worship and experience The documents in this collection bolstered by concise editorial introductions offer the original writings of a wide variety of peoples of the spirit from Tertullian and Antony of the Desert to the Shakers and Sunder Singh as well as of their enemies or detractors Though virtually all of the parties in this volume considered themselves Spirit gifted or given special qualities by God they are in many ways as different from one another as the cultures from which they have emerged In providing such an impressive array of voices Burgess convincingly demonstrates that there have indeed been Spirit filled worship and charismatic saints in all periods of church history
