The Sponsorship Guide Robbie Walker,2016-07-25 The Sponsorship Guide has been created for sponsors in all 12 step programs It has been designed as a working tool for a sponsor to utilize with their newcomers It is laid out in a simple concise and thorough manner Its main object is to help a sponsor build a working relationship with the newcomer by taking them through the twelve steps of recovery It s author is a well known member of the recovery community who speaks at conventions leads men s and women s spiritual retreats takes rehabilitation clients and sober house clients through the 12 steps and is well respected amongst his peers Robbie felt as though a twelve step guide such as this was dearly needed in the recovery community So Robbie while on the road in Hotel Rooms and on flights to and from his speaking engagements created this remarkable and simple book to help others Originally he had only planned to utilize it in his retreats until a Nun at one of his retreats TOLD HIM to author a book He knew he needed to listen to her Robbie had noticed during his recovery that many members of twelve step fellowships utilized certain tools of recovery such as sponsorship meetings and fellowship However many fell drastically short of participating in the actual intense and introspective taking of their twelve steps with an informed sponsor who has been through the process That is exactly why he created this book Robbie realized over the last three decades of his personal recovery journey the absolute need for the person in recovery to find a program of action if they were to live a peaceful contented and successful life Group therapy while extremely helpful to many does not in his

experience hold enough depth and weight to sustain a bountiful and long term recovery for the sufferer Nothing short of continuous action on the twelve steps with the help of a sponsor has the ability to sustain a newcomer s attention Once we get their attention by wal

A Skeptic's Guide to the 12 Steps Phillip Z.,Z. Phillip,1990-10-01 How many of us have felt like Phillip Z He has a staunch belief in the Twelve Steps yet struggles with the concept of a Higher Power In A Skeptic s Guide to the 12 Steps the author

investigates each of the Twelve Steps to gain a deeper understanding of a higher power He examines what may seem like unsettling concepts to us including surrendering one's will and life to God and he encourages us to understand the spiritual journey of recovery despite our skepticism Understanding Twelve-Step Programs Bruce Brown, 2009-11 If you have significant contact with a person involved in a twelve step program Understanding Twelve Step Programs is intended for you That person may be a friend family member parishioner patient or employee This book may also be useful if you have been told that you could benefit from a twelve step program but have yet to get involved in a group or if you are still new to twelve step programs This book is not clinical rather I present the material as an experienced insider Its topics include what goes on in meetings addiction and withdrawal how each step works sponsorship spirituality anonymity helping addicts and recovery for friends and family My purpose is to demystify twelve step programs and to help you better understand the nature of recovery Brown provides us with an insightful look into the world of recovery As a substance abuse therapist I will find this a valuable tool in helping others understand 12 step work I liked the book very much and believe it will be a useful tool to ministers lay people and those considering 12 step meetings Lisa B Creef L C S W L C A S Brown has accurately assessed the value of healing communities and their immeasurable impact for personal recovery His practical and experiential knowledge of 12 step programs can lend us expert assistance for transformative ministry J Bruce Ritter Senior Pastor Christian Life Center Bruce Brown came into his first twelve step program in early 1993 Since then he has attended at least ten different types of twelve step programs His recovery has involved meetings in fifteen states covering all regions of the U S as well as online meetings He has sponsored over twenty people and worked intensely with ten sponsors of his own Bruce has spoken at many gatherings and served his twelve step fellowships at local regional and national levels As a result his experience is broad enough to make generalizations about twelve step programs that go beyond one type of fellowship or one region Because of Bruce's focus on written step work he has been labeled a Step Nazi He has worked the Twelve Steps numerous times
