Spooky 8 Bob King, 1999 One man's shocking account of our government's double cross and assassination of its own men The Final Mission: Spooky 8 Bob King, 2010-04-01 The Final Mission tells the story of Bob King who for seventeen years beginning with his military career as a member of the Special Forces Unit in Vietnam led an incredible double life carrying out the U S government's high risk missions without involving its military Then in 1992 King and his men secret members of a U S Tactical Reconnaissance Team were sent to Colombia The mission was an easy breather until the men walked into an ambush and found out the real reason they were there They had been sent to die With three men dead and King himself wounded the band of mercenaries began a desperate battle for survival and for the truth that led from South America all the way to Washington D C Now in this chilling action packed book Bob King goes public with the covert operations he carried out the hidden deals he witnessed and the horrific shadow war he survived against a U S government desperate to bury its secrets and its own men **Cold War Counterfeit Spies** Nigel West, 2016-10-14 The Cold War with its air of mutual fear and distrust and the shadowy world of spies and secret agents gave publishers the chance to produce countless stories of espionage treachery and deception What Nigel West has discovered is that the most egregious deceptions were in fact the stories themselves In this remarkable investigation into the claims of many who portrayed themselves as key players in clandestine operations the author has exposed a catalogue of misrepresentations and falsehoods Did Greville Wynne really exfiltrate a GRU defector from Odessa Was the frogman Buster Crabb abducted during a mission in Portsmouth Harbour Did the KGB run a close guarded training facility as described by J Bernard Hutton in School for Spies which was modelled on a typical town in the American mid west so agents could be acclimatised to a non Soviet environment With the help of witnesses with first hand experience and recently declassified documents Nigel West answers these and other fascinating questions from a time when secrecy and suspicion allowed the truth to be concealed *Special Operations and Strategy* James D. Kiras, 2006-07-29 This book argues that the root of effective special operations lies in understanding the relationship between moral and material attrition this is achieved by examining both strategic theory and real life case studies Library Journal , 2009 **The Library Journal** , 1998 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Crime & Justice International** , 2000 **Forthcoming Books** Rose Army, 2000 **The Publishers Weekly** , 1999 *Film Writers Guide* , 1998
