Career Guide to Sports Officiating R. I. Odums, 1984 *Sport Officiating* Lori Livingston, Susan L. Forbes, Nick Wattie, Ian Cunningham, 2020-04-14 Sport officials are tasked with maintaining order and adjudicating sport contests. Given their multifaceted role in enforcing rules, standardizing competitions and keeping sport safe for all participants, they are a requisite part of the sport workforce. With ongoing reports of annual attrition rates in officiating in excess of 20-35% for various sports around the world, there is more than ample evidence that officiating dropout is a persistent, pervasive and global challenge underpinned by multiple contributing factors, including but not limited to the threat of verbal and physical abuse. Moreover, despite worldwide recognition and growing interest in the problem, there has not been

a comprehensive resource for sport scientists and practitioners studying or working to reverse the ongoing trend Sport Officiating Recruitment Development and Retention provides a state of the science summary in the emerging area of inquiry limited to sport officiating recruitment development and retention and provides insight and evidence based approaches to the development of successful officiating development programs ODP This book is a primary reference work using a multifaceted holistic and evidence based approach to integrate key findings from the sport science literature to date in suggesting and providing real world solutions to the practical issues faced by sport organizers Sport Officiating Recruitment Development and Retention is a key resource for researchers interested in the development of sport officials and for sport practitioners aiming to implement officiating development programs ODP at any level within sport systems **Modern Sports**
