Spring Into Love:

The Great Feast of Language in Love's Labour's Lost William C. Carroll, 2015-03-08 This book contends that in Love's Labour's Lost Shakespeare sought to discover the ways in which the imagination uses and abuses language The author's critical reading shows that the characters are endowed with a wide variety of rhetorical disguises Each assumes that his verbal and social point of view is correct and the limitations and virtues of each viewpoint are explored as the drama unfolds In an elegant examination of theme and style Professor Carroll heightens the reader's awareness of Shakespeare's marvellously inventive use of language The author analyzes the different kinds of style the characters' attitudes toward language the play's theatrical modes the frequent metamorphoses and the debates The term debate justified by Shakespeare's use of the medieval conflictus relates to both theme and structure The author finds that the conflicting theories about the proper relation of language and imagination are resolved stylistically and thematically only in the final Debate between Spring and Winter where the playwright reasserts the nature and value of good art Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

In Love's Place Etienne van Heerden, 2013-08-01 After his heart bypass operation former champion athlete Christian Lemmer needs to take stock When a Cape Flats gang begins to target him this becomes vitally important Christian commutes between Johannesburg and Stellenbosch where he returns at weekends to his amnesiac wife Christine and his confrontational son Siebert But he also has a hideaway that no one knows about a flat in Sea Point where his drug dealer meets him and a Swazi prostitute becomes his confidante And in Matjiesfontein the staff of the Lord Milner Hotel and the local pigeon breeders are in a state of excitement with the approach of the Southern Cross Derby the most important event in the Karoo's pigeon racing calendar

But other things are afoot in Matjiesfontein as well things in which the lives of the Lemmers are soon to become involved from the arrival of the Piss Man to the disappearance of prodigy Snaartjie Windvogel who it is said bewitches her father's pigeons with her violin playing The Lemmers come to the village to try to unravel one mystery only to find themselves caught up in another The Knickerbacker, 1833 *Shelley's Mirrors of Love* Teddi Lynn Chichester, Teddi Chichester Bonca, 1999-01-01 An analysis of Shelley's fiction poetry and letters covers the topics of narcissism gender identity and self idolotry **I Hated, Hated, Hated This Movie** Roger Ebert, 2022-05-24 The Pulitzer Prize winning film critic offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is a humorous scathing critique far more entertaining than the movie itself I Hated Hated Hated This Movie is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they're charging to get in it's worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you've ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It's appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It's so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you're sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don't know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you'll want to distance yourself from but Roger Ebert's creative and comical musings on those films make for a book no movie fan should miss Discover America Diaries. 50 States, 50 States of Mind.
