

An aerial photograph of a rugged coastline. Dark, jagged rocks are scattered across the scene, with white, frothy waves crashing against them. The water is a deep blue-grey color, and the overall scene conveys a sense of raw, natural power.

Van Wert,2009-10 Will we ever see peace in the Middle East If so how will it come about Currently negotiations are in the works for the creation of an independent Palestinian State However it will be located in part of the land which Orthodox Jews believe was set aside by God exclusively for the Jews They contend that the Israelites under Moses covenanted with God never to let non Jews live in any part of the Promised Land They further believe that a breach of this sacred Covenant will lead to divine curses for the disobedient Jews including the conquest of Israel by her enemies and the deportation of the surviving Jews to foreign lands Dr Leon G van Wert now has written a new and exciting eschatological work which clearly shows that the creation of a new non Jewish Palestinian State within the boundaries of the Promised Land will bring us one pivotal step closer towards the End Times Using the Old Testament as his guide to interpreting the book of Revelation Dr van Wert has unlocked this mysterious book of the Bible When is the end The end is near says the author when after the creation of an independent State of Palestine the Cardinals elect two successive Jewish Popes Becoming! Bob E. McGlothlin,2014-03-28 BECOMING A piece of canvas becomes a work of art Once the artist makes his final mark A piece of stone becomes a sculpture Once the sculptor chips away the last chip For a poet A plain piece of paper becomes a priceless gem Once he finally lifts his pen God is the artist That s painting beauty within the heart of our soul God is the sculptor That s chipping away at the flaws in our character To

make us into His perfect image God is the poet That would turn the plainness of our lives Into poetic praise Contained within this volume are words of prose that were written while in the process of becoming ORGANIZED ALPHABETICALLY BY TITLE

Rivers of Inspiration Bob E. McGlothlin, 2014-02-17 Dear reader It is my sincere prayer and desire that as you read Rivers of Inspiration God will use these words of prose to inspire and encourage you to view life from a completely different perspective than what you are used to You see so many of us go through life experiencing difficulties trials tests temptations and troubles of all kinds and many times we only focus on the negative aspects of each situation When we do this it makes it so very hard for us to see God's light in the midst of all the darkness around us It also makes it hard for us to understand God's wisdom and purpose in allowing us to go through each situation unless of course we can find enough grace to change our focus So I hope that God will use these words to encourage someone to look beyond the way things appear and at least seek to view life's situations as God sees them As you prayerfully read the following pages may you receive an impartation of God's grace and power to overcome in the midst of the troubles of your life Sincerely Poet and Author Bob E McGlothlin
