Spurious Issues Race And Multiracial Identity Politics In The United States

Nikki Khanna

Spurious Issues Race And Multiracial Identity Politics In The United States:

Spurious Issues Rainier Spencer, 2019-07-11 This book is an examination of multiracial identity politics in the United States and of the specific issues surrounding Office of Management and Budget's review the parties concerned the history of federal racial categorization and the significance of the new rules on race in America [The Politics of Multiracialism](#)

Heather M. Dalmage, 2012-02-01 This is the first book to critically look at the political issues and interests surrounding the broadly defined Multiracial Movement and at what is being said about multiracialism Many of the multiracial family organizations that exist across the United States developed socially ideologically and politically during the conservative Reagan years While members of the Multiracial Movement differ widely in their political views the concept of multiracialism has been taken up by conservative politicians in ways that are often inimical to the interests of traditionally defined minorities Contributors look at the Multiracial Movement's voice and at the political controversies that attend the notion of multiracialism in academic and popular literature internet discourse census debates and discourse by and about pop culture celebrities The work discusses how multiracialism hybridity and racial mixing have occurred amidst existing academic discussions of authenticity community borders identity politics the social construction of race and postmodern fragmentation How the Multiracial Movement is shaping and transforming collective multiracial identities is also explored **Identity**

Politics of Difference Michelle Montgomery, 2017-10-01 In *Identity Politics of Difference* author Michelle R Montgomery uses a multidisciplinary approach to examine questions of identity construction and multiracialism through the experiences of mixed race Native American students at a tribal school in New Mexico She explores the multiple ways in which these students navigate experience and understand their racial status and how this status affects their educational success and social interactions Montgomery contextualizes students representations of their racial identity choices through the compounded race politics of blood quantum and stereotypes of physical features showing how varying degrees of Indianness are determined by peer groups Based on in depth interviews with nine students who identify as mixed race Native American White Native American Black and Native American Hispanic Montgomery challenges us to scrutinize how the category of mixed race bears different meanings for those who fall under it based on their outward perceptions including their ability to pass as one race or another *Identity Politics of Difference* includes an arsenal of policy implications for advancing equity and social justice in tribal colleges and beyond and actively engages readers to reflect on how they have experienced the identity politics of race throughout their own lives The book will be a valuable resource to scholars policy makers teachers and school administrators as well as to students and their families *Biracial in America* Nikki Khanna, 2011-09-16 Elected in 2008

Barack Obama made history as the first African American president of the United States Though recognized as the son of a white Kansas born mother and a black Kenyan father the media and public have nonetheless pigeonholed him as black and he too self identifies as such Obama's experience as an American with black and white ancestry though compelling because

of his celebrity is not unique and raises several questions about the growing number of black white biracial Americans today How are they perceived by others with regard to race How do they tend to identify And why Taking a social psychological approach Biracial in America identifies influencing factors and several underlying processes shaping multidimensional racial identities This study also investigates the ways in which biracial Americans perform race in their day to day lives One s race isn t simply something that others prescribe onto the individual but something that individuals do The strategies and motivations for performing black white and biracial identities are explored

Race Policy and Multiracial Americans

Kathleen Odell Korgen, 2016-01-13 Race Policy and Multiracial Americans looks at the impact of multiracial people on race policies where they lag behind the growing numbers of multiracial people in the USA and how they can be used to promote racial justice This much needed book is essential reading for anyone interested in race relations and social justice

Latino

Los Angeles Enrique C. Ochoa, Gilda L. Ochoa, 2005-11-01 As the twentieth first century begins Latinas/os represent 45 percent of the residents of Los Angeles County making them the largest racial ethnic group in the region At the same time the shift from manufacturing to a service based economy in the area has contributed to a decline in good paying jobs significantly impacting working class families These transformations have created a backlash that has included state propositions impacting Latinas/os and escalating anti immigrant rhetoric and Latina/os of all backgrounds are making their voices heard Until recently most research on Latinas/os in the U S has ignored historical and contemporary dynamics in Latin America just as scholars of Latin America have generally stopped their studies at the border This volume roots Los Angeles in the larger arena of globalization exploring the demographic changes that have transformed the Latino presence in LA from primarily Mexican origin to one that now includes peoples from throughout the hemisphere Bringing together scholars from a range of disciplines it combines historical perspectives with analyses of power and inequality to consider how Latinas/os are responding to exclusionary immigration labor and schooling practices and actively creating communities The contributors examine Latina/o Los Angeles in the context of historical economic and social factors that have shaped the region The first section provides contexts for understanding Latina/o migration with chapters focusing on such factors as U S economic and military domination labor and economic integration in the Americas and Los Angeles economic history The second section considers how various Latina/o groups have settled and formed communities and interacted with the existing Mexican origin populations showing how Zapotecs Salvadorans and other peoples are remaking urban demographics The final section on labor organizing and political activism examines the role of Latina/o immigrants in such actions as the janitors strike and also considers the contemporary role of students in political activism The volume concludes with an up to date compilation of contemporary scholarship on immigration the economy schools neighborhoods gender and activism as they relate to Central American and Mexican immigrants Reflecting a range of methodologies statistical historical ethnographic and participatory research this collection is relevant not only to ethnic studies but also to broader concerns in political science sociology

history economics and urban studies In addition some chapters focus explicitly on women and gender issues are interwoven throughout the text Latino Los Angeles is an important work that contributes to contemporary scholarship on transnationalism as it reexamines the changing face of America s largest western metropolis Race in Mind Paul Spickard,2015-11-19 These essays analyze how race affects people s lives and relationships in all settings from the United States to Great Britain and from Hawai i to Chinese Central Asia They contemplate the racial positions in various societies of people called Black and people called White of Asians and Pacific Islanders and especially of those people whose racial ancestries and identifications are multiple Here for the first time are Spickard s trenchant analyses of the creation of race in the South Pacific of DNA testing for racial ancestry and of the meaning of multiplicity in the age of Barack Obama

Beyond Black Kerry Ann Rockquemore,David L. Brunson,2008 The urgent debate over a multiracial category in the 2000 census forced the nation to reflect upon the important questions of what it means to construct and maintain a racial identity Using in depth interviews and survey data Beyond Black documents how biracial people develop many different racial identities and how these self understandings are derived from historical and contemporary social cultural interactional and psychological processes New Faces in a Changing America Loretta I. Winters,Herman L. DeBose,2003 New Faces in a Changing America is a comprehensive penetrating authoritative and provocative examination of what it means to be multiracial in this country With contributions by the leading thinkers activists and researchers on the subject it admirably links theory and the powerful lived experiences of mixed race people This book will be the most important reference source on the subject for many years James P Allen California State University Northridge Not since the work of Root has there been as important of an anthology as New Faces in a Changing America This book explores the reality of multiracial people from a variety of theoretical and conceptual perspectives It is a must read for anybody who want to understand the multiracial movement and the multiracial people who lead that movement Any teacher who wants to introduce the concept of multiraciality to his her class must also have this book Winters and Debose are to be commended for putting together this first rate academic examination of an important social phenomenon George Yancey University of North Texas How multiracial people identify themselves can have major consequences on their positions in their families communities and society Even the U S Census has recognized the rapidly increasing numbers of those who consider themselves multiracial adding a new racial category to the 2000 Census form two or more races New Faces in a Changing America Multiracial Identity in the 21st Century examines the multiracial experience its history and the political issues and consequences surrounding biracial and multiracial identity bringing together top names in the field to give readers cutting edge views and insights gained from contemporary research This important new text follows the trail blazed by Maria Root who contributes its opening chapter An introduction places the issues of multiracial identity into context via a discussion of U S Census data and debates providing an overview of the varied readings to come covering such topics as Race as a social rather than

biological construction The Multiracial Movement Racial Ethnic Groups in America and Beyond Race Gender human service professionals including psychologists counselors social workers and school personnel and importantly multiracial individuals themselves

'Mixed Race' Studies Jayne O. Ifekwunigwe, 2015-03-24 Mixed race studies is one of the fastest growing as well as one of the most important and controversial areas in the field of race and ethnic relations Bringing together pioneering and controversial scholarship from both the social and the biological sciences as well as the humanities this reader charts the evolution of debates on race and mixed race from the nineteenth to the twenty first century The book is divided into three main sections tracing the origins miscegenation moral degeneracy and genetics mapping contemporary and foundational discourses mixed race identities politics and celebration debating definitions multiraciality census categories and critiques This collection adds a new dimension to the growing body of literature on the topic and provides a comprehensive history of the origins and directions of mixed race research as an intellectual movement For students of anthropology race and ethnicity it is an invaluable resource for examining the complexities and paradoxes of racial thinking across space time and disciplines
