Spurs On The Boot Italy Under Her Masters:

Spurs on the boot Thomas Bruce Morgan,1942 Mussolini and the Eclipse of Italian Fascism R. J. B.

Bosworth,2021-04-27 An incisive account of how Mussolini pioneered populism in reaction to Hitler s rise and thereby reinforced his role as a model for later authoritarian leaders On the tenth anniversary of his rise to power in 1932 Benito Mussolini 1883 1945 seemed to many the good dictator He was the first totalitarian and the first fascist in modern Europe But a year later Hitler s entrance onto the political stage signaled a German takeover of the fascist ideology In this definitive account eminent historian R J B Bosworth charts Mussolini s leadership in reaction to Hitler Bosworth shows how Italy s decline in ideological pre eminence as well as in military and diplomatic power led Mussolini to pursue a more populist approach angry and bellicose words at home violent aggression abroad and a more extreme emphasis on charisma In his embittered efforts to bolster an increasingly hollow and ruthless regime it was Mussolini rather than Hitler who offered the model for all subsequent authoritarians **Mussolini** Richard J. B. Bosworth,2014-03-04 In 1945 disguised in German greatcoat and helmet Mussolini attempted to escape from the advancing Allied armies Unfortunately for him the convoy of which he was part was stopped by partisans and his features made so familiar by Fascist propaganda gave him away Within 24 hours he was executed by his captors joining those he sent early to their graves as an outcome of his tyranny at least one million people He was one of the tyrant killers who so scarred interwar Europe but we cannot properly understand him or his regime by any simple equation with Hitler or Stalin Like them his life began modestly in the provinces unlike them he maintained a traditional male family life including both wife and mistresses and sought in his way to be an intellectual He was cruel though not the cruelist his racism existed but never without the consistency and vigor that would have made him a good recruit for the SS He sought an empire but in the most part his was of the old fashioned costly nineteenth century variety not a racial or ideological imperium And self evidently Italian society was not German or Russian the particular patterns of that society shaped his dictatorship Bosworth s Mussolini allows us to come closer than ever before to an appreciation of the life and actions of the man and of the political world and society within which he operated With extraordinary skill and vividness drawing on a huge range of sources this biography paints a picture of brutality and failure yet one tempered with an understanding of Mussolini as a human being not so different from many of his contemporaries

Claretta R. J. B. Bosworth,2017-01-01 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini Italy s fascist dictator and Claretta or Clara Petacci his much younger lover Shot dead by Italian partisans after attempting to flee the country in 1945 the couple s bodies were then hanged upside down in Milan s main square in ignominious public display This provocative book is the first to mine Clara s extensive diaries family correspondence and other sources to discover how the last in Mussolini s long line of lovers became his intimate and how she

came to her violent fate at his side R J B Bosworth explores the social climbing of Claretta's family her naïve and self interested commitment to fascism her diary's graphically detailed accounts of sexual life with Mussolini and much more Brimful of new and arresting information the book sheds intimate light not only on an ordinary extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself Calculations Allan R.
