from a child's pudding cup and spread it inside the ring. Top with the other half of the cake and ice as directed. You will need to choose a source of instruction. The culinary schools are colleges and will give you a degree making you more marketable if you choose to look for employment in this line of work. However, if you just want to be an expert, there are many types of schools and classes you can take to achieve this. Some of the courses can be taken on location, online, or you can find web sites which will give you instruction by video or walking you through it step by step.
