**Suicide and the Elderly** ,1986-10-21 Product information not available      *Suicide in the Elderly* Nancy J. Osgood,1985

**Suicide and the Elderly** United States. Congress. Senate. Special Committee on Aging,1996      **Now I Lay Me Down**

David Lester,Margot Tallmer,1994 Suicide in the elderly an overview David Lester Symptoms and assessment of suicide in the elderly patient Margot Tallmer Suicide across the life span with particular reference to the elderly Antoon A Leenaars Psychiatric treatment of the elderly suicidal patient Bruce L Danto and Joan M Danto Individual and group therapy for the suicidal older person Margot Tallmer Family therapy for the suicidal elderly Joseph Richman Gender issues in counseling the suicidal elderly Silvia Sara Canetto Psychiatric management of the suicidal elderly Henry Rosenvinge Suicidal elders in long term care facilities preventive approaches and management Nancy J Osgood and Nancy R Covey Social work and the suicidal older person Elizabeth J Clark The elderly suicide those left behind Rochelle Balter Helping the suicidal elderly a Hungarian perspective Bea ta Temesva ry Alternatives to suicide Robert Kastenbaum Sara Teasdale case study of a completed suicide David Lester Subintentioned life threatening behavior in the elderly the story of Myra Lenore S Powell Assisted suicide and the elderly David Lester      *Rational Suicide in the Elderly* Robert E. McCue,Meera Balasubramaniam,2016-10-27 This book provides a comprehensive view of rational suicide in the elderly a group that has nearly twice the rate of suicide when chronically ill than any other demographic Its frame of reference does not endorse a single point of view about the legitimacy of rational suicide which is evolving across societies with little guidance for geriatric mental health professionals Instead it serves as a resource for both those clinicians who agree that older people may rationally commit suicide and those who believe that this wish may require further assessment and treatment The first chapters of the book provides an overview of rational suicide in the elderly examining it through history and across cultures also addressing the special case of baby boomers This book takes an ethical and philosophical look at whether suicide can truly be rational and whether the nearness of death in late life adults means that suicide should be considered differently than in younger adults Clinical criteria for rational suicide in the elderly are proposed in this book for the first time as well as a guidelines for the psychosocial profile of an older adult who wants to commit rational suicide Unlike any other book this text examines the existential psychological and psychodynamic perspectives A chapter on terminal mental illness and a consideration of suicide in that context and proposed interventions even without a diagnosable mental illness also plays a vital role in this book as these are key issues in within the question of suicide among the elderly This book is the first to consider all preventative measures including the spiritual as well as the psychotherapeutic and pharmacologic A commentary on modern society aging and rational suicide that ties all of these elements together making this the ultimate guide for addressing suicide among the elderly Rational Suicide in the Elderly is an excellent resource for all medical professionals with potentially suicidal patients including geriatricians geriatric and general psychiatrists geriatric nurses social workers and public health officials      Suicide Ronald

M. Holmes, Stephen T. Holmes, 2005-07-27 Suicide is an ageless concern that has been with us as long as man has existed Forbidden by all religions suicide has nonetheless become such a practical problem that it is now an everyday concern resulting in more annual deaths than homicide Suicide must be seen as a societal and personal problem it is a complex act with no simple explanation The motivation is multifaceted often not understood by the family or by other survivors Suicide Theory Practice and Investigation is the only text available in paperback form that offers an accessible overview of suicide in the United States Written by Ronald M Holmes and Stephen T Holmes two of the foremost authors of murder and violent crime books in the world this book examines the social problem and criminal justice concerns of suicide from unique perspectives The authors discuss the various forms of suicide and analyze the latest data on regional differences and how gender marital status occupation health drug use and religion all influence the practice of suicide Key Features Analyzes suicide letters to provide students with unique perspectives not found in other books Covers investigative techniques that will be of interest to professionals and students alike Includes carefully selected photos to explicate the material covered Categorizes suicide into different types including anomic egoistic altruistic and fatalistic to distinguish the various reasons for which people have taken their own lives Integrates notes within the chapters to show the state of mind for those who commit suicide Explores learnings from suicidal behavior to help readers recognize how better to prevent the practice Suicide is designed for undergraduate and graduate courses in departments of Criminology Criminal Justice Psychology and Forensic Science In addition it can also be used for a variety of other courses including Psychopathology Sociology of Deviance Abnormal Psychology and Violent Crimes This book will also be of interest to anyone looking for a clear understanding of the extent of suicide in the United States     Suicide and the Elderly Karen Grove Sherman, 1980

**Seminars in General Adult Psychiatry** George Stein, Greg Wilkinson, 2007-04 This second edition of Seminars in General Adult Psychiatry provides a highly readable and comprehensive account of modern adult psychiatry Key features of the first edition that have been retained are the detailed clinical descriptions of psychiatric disorders and historical sections to give the reader access to the classic studies of psychiatry as well as the current evidence Additional topics covered here for the first time include liaison psychiatry psychosexual medicine clinical epidemiology and international and cultural psychiatry Clinical management is given due prominence with extensive accounts of modern drug management cognitive therapy the main psychosocial approaches and current guidelines such as those published by the National Institute for Health and Care Excellence An essential text for trainees studying for their MRCPsych this book is also a one stop reference work for established practitioners providing comprehensive coverage of the whole of adult psychiatry **Suicide Among the Elderly in Long-Term Care Facilities** Nancy Osgood, Barbara Brant, Aaron P. Lipman, 1991 This is the first large scale study of suicide in a population of institutionalized older adults From their findings the authors identify the most at risk groups and highlight the major factors contributing to suicide in older adults in institutions The study described in this work

employed a sample survey design More than 1000 administrators of long term care facilities in the United States were randomly selected and surveyed about their staff and facilities and the incidence and type of suicidal behaviors which occurred among residents in 1984 and 1985 Results of the study confirmed that suicidal behavior occurred in approximately 20 percent of the facilities who responded High risk groups of residents included white males and the old old 75 years and older The survey reveals that certain environmental factors such as the size of the facility staff turnover rate per diem cost and auspices public private and religious were related to the occurrence and outcome of suicidal behavior Suggestions for suicide prevention based on these findings are also presented The book is divided into three parts Part One examines various types of long term care facilities including skilled nursing facilities intermediate care facilities and adult homes Part Two highlights design methodology and findings from the national study of suicide in long term care facilities Case profiles of suicidal residents are included to provide a more personal account of suicide behavior and to illustrate important factors in the older individual's decision to end her his life Case profiles of four institutions are also included to highlight environmental factors related to suicidal behavior Part Three focuses on suicide prevention Suggestions on the treatment of depression in the elderly suicide prevention techniques and the ethics of suicide are discussed in detail This book makes valuable reading for professionals involved in the care of the elderly      *Fundamentals of Abnormal Psychology* Ronald J. Comer, 2004-04-23 This is a concise textbook on abnormal psychology that integrates various theoretical models sociocultural factors research clinical experiences and therapies The author encourages critical thinking about the science and study of mental disorders and also reveals the humanity behind them      *Psychiatric Nursing* Mary Ann Boyd, 2008 The AJN Book of the Year award winning textbook *Psychiatric Nursing Contemporary Practice* is now in its thoroughly revised updated Fourth Edition Based on the biopsychosocial model of psychiatric nursing this text provides thorough coverage of mental health promotion assessment and interventions in adults families children adolescents and older adults Features include psychoeducation checklists therapeutic dialogues NCLEX notes vignettes of famous people with mental disorders and illustrations showing the interrelationship of the biologic psychologic and social domains of mental health and illness This edition reintroduces the important chapter on sleep disorders and includes a new chapter on forensic psychiatry A bound in CD ROM and companion Website offer numerous student and instructor resources including Clinical Simulations and questions about movies involving mental disorders      **Resilience in Aging** Barbara Resnick, Lisa P. Gwyther, Karen A. Roberto, 2010-10-14 The many significant technological and medical advances of the 21st century cannot overcome the escalating risk posed to older adults by such stressors as pain weakness fatigue depression anxiety memory and other cognitive deficits hearing loss visual impairment isolation marginalization and physical and mental illness In order to overcome these and other challenges and to maintain as high a quality of life as possible older adults and the professionals who treat them need to promote and develop the capacity for resilience which is innate in all of us to some degree The purpose of this book is to provide the current

scientific theory clinical guidelines and real world interventions with regard to resilience as a clinical tool To that end the book addresses such issues as concepts and operationalization of resilience relevance of resilience to successful aging impact of personality and genetics on resilience relationship between resilience and motivation relationship between resilience and survival promoting resilience in long term care and the lifespan approach to resilience By addressing ways in which the hypothetical and theoretical concepts of resilience can be applied in geriatric practice Resilience in Aging provides inroads to the current knowledge and practice of resilience from the perspectives of physiology psychology culture creativity and economics In addition the book considers the impact of resilience on critical aspects of life for older adults such as policy issues e g nursing home policies Medicare guidelines health and wellness motivation spirituality and survival Following these discussions the book focuses on interventions that increase resilience The intervention chapters include case studies and are intended to be useful at the clinical level The book concludes with a discussion of future directions in optimizing resilience in the elderly and the importance of a lifespan approach to aging

*Aging* Harry R. Moody, 2010 The sixth edition of this student friendly textbook provides both a thorough explanation of the issues as well as current research and controversies exploring health care socioeconomic trends and the life course This thoroughly revised new edition contains nine new readings over 35 new photographs and an instructor resource CD

**Suicide** Nils Retterstøl, 1993-06-17 A sensitive and enlightening account of the problem of suicide and attempted suicide in today's societies

**Depression in Old Age** Cornelius L. E. Katona, 1994-09-20 Eliminates several misconceptions about depression in the elderly namely that it is an inevitable consequence of aging and that the hazards involved in its treatment outweigh those of the condition itself Condenses the latest research information available on depression in old age identifying some of the questions as yet unanswered and summarizing the answers already known

**Men and Aging** Edward H. Thompson, 1996-01-30 Until recently older men were not a social phenomenon commanding great attention Older men are a distinct minority among men accounting for 15 percent of the adult male population Among elders older men are still outnumbered by older women three to two and there are only two men for every five women over age 85 However the importance of gender to age and age to gender is being acknowledged by gerontologists as well as gender scholars This work is the first thorough study of the research examining older men as men Thompson was able to locate more than 750 articles which are organized by subject Gendered Aging Health and Well Being Sexuality Suicide and Alcohol Religiosity and Spirituality Stereotypes and Social Constructions Relationships and Social Life Family Relations Caregiving Economics and Retirement Living Arrangements and Resources and Needs and selectively annotated Access is also aided by extensive subject and author indexes This groundbreaking volume will be of great interest to gerontologists sociologists and all researchers concerned with gender issues

Oxford Textbook of Old Age Psychiatry Tom Denning, Alan Thomas, 2013-09-26 Broad in scope and with global appeal The Oxford Textbook of Old Age Psychiatry second edition is the definitive resource on old age psychiatry It

### **Suicide In The Elderly Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Suicide In The Elderly PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while

accessing free Suicide In The Elderly PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Suicide In The Elderly free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Suicide In The Elderly Books

**What is a Suicide In The Elderly PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Suicide In The Elderly PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Suicide In The Elderly PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Suicide In The Elderly PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Suicide In The Elderly PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
