Suicide A Christian Response Crucial Considerations For Choosing Life:

Suicide Timothy J. Demy, 1998 **Suicide and the God of Grace** Mark Koonz, 2025-08-19 Suicide is a painfully intrusive reality around the world touching many Christian families as well. These theological reflections are designed to assist pastors facing one of the hardest funerals imaginable as well as inform other readers, family and spiritual care givers who live in the aftermath of tragedy. Biblical passages and the history of Christian thought are scanned with some surprising results. There is a persistent openness to God's grace embracing death by suicide, redeeming the last moment of life. From Aquinas to Luther to Barth, influential theologians refused to call suicide an unforgivable sin, though they always discouraged it. There is a surprising congruence between ancient and modern Protestant and Roman Catholic in some of these approaches. Without attempting to speak God's final word on any victim of suicide, the editor finds a middle way between outright condemnation and universalism. Contributors offer actual sermons used for suicide funerals. This book invites all who wrestle with suicide's spiritual questions to engage with a tradition more compassionate and nuanced than many might expect.

Basic Questions on Suicide and Euthanasia William R. Cutrer, Cutting edge medical ethics issues are addressed by nationally recognized experts. The BioBasics Series confronts the maze of challenging questions with biblical responses and uncompromising respect for all human life.

Caring for People God's Way Tim Clinton, 2009-09-21 Caring for People God's Way presents Christian counseling in a systematic step by step manner that outlines the process as practically as possible. It then applies the process to the most common issues faced by Christian counselors: personal and emotional issues, trauma, grief, loss, and suicide.

Paul and His Mortality R. Gregory Jenks, 2015-11-16 While many books are written on Jesus's death, a gap exists in writings about the theological significance of a believer's death, particularly in imitation of Jesus's Paul as a first apostolic witness who talked frequently about his own death serves as a foundational model for how believers perceive their own death. While many have commented about Paul's stance on topics such as forensic righteousness and substitutionary atonement, less is written about Paul's personal experience and anticipation of his own death and the merit he assigned to it. Paul and His Mortality: Imitating Christ in the Face of Death explores how Paul faced his death in light of a ministry philosophy of imitation as he sought to imitate Christ in his life so he would imitate Christ as he faced his death. In his writings, Paul acknowledged his vulnerability to passive death as a mortal that at any moment he might die or come near death. He gave us some of the most mournful and vitriolic words about how death is God's and our enemy. But he also spoke openly about choosing death. My aim is to know him to be like him in his death. This study seeks to show that Paul embraced death as a follower and imitator of Christ because the benefits of a good death supersede attempts at self-preservation. For him, embracing death is gain because it is honorable because it reflects ultimate obedience to God and because it is the reasonable response for those who understand that only Jesus's death provides atonement. Studying mortality is paradoxically a study of life. Peering at the prospect of life's end energizes life in the present. This urgency

focuses on living with mission in step with God the Creator and Sustainer of life who is rightly referred to as Life itself By focusing on mortality we focus on Paul s theology of life in its practical aspects in particular living life qualitatively aware of God s kingdom and mission and our limited quantity of days **Social Justice Handbook** Mae Elise Cannon,2009-09-11 Mae Elise Cannon provides a comprehensive resource for Christians like you who are committed to social justice She presents biblical rationale for justice and explains a variety of Christian approaches to doing justice A wide ranging catalog of topics and issues give background info about justice issues at home and abroad and give you the tools you need to take action

The Violence of the Lamb Paul Middleton,2018-05-03 The act of martyrdom in the worldview of the Apocalypse has been considered to be an exemplification of non violent resistance Paul Middleton argues here however that it is in fact a representation of direct participation by Christians through their martyrdom in divine violence against those the author of Revelation portrays as God s enemies Middleton shows that acceptance of martyrdom is to grasp the invitation to participate in the Revelation s divine violence Martyrs follow the model laid down by the Lamb who was not only slain but resurrected glorified and who executes judgement The world created by the Apocalypse encourages readers to conquer the Beast through martyrdom but also through the experience of resurrection and being appointed judges In this role martyrs participate in the judgement of the wicked by sharing the Lamb s power to judge Different from eschewing violence the conceptual world of the Apocalypse portrays God the Lamb and the martyrs as possessing more power might and violent potential than the Emperor and his armies Middleton believes that martyrdom and violence are necessary components of the worldview of Revelation **Postwar America** James Ciment,2015-03-26 From the outbreak of the Cold War to the rise of the United States as the last remaining superpower the years following World War II were filled with momentous events and rapid change Diplomatically economically politically and culturally the United States became a major influence around the globe On the domestic front this period witnessed some of the most turbulent and prosperous years in American history Postwar America An Encyclopedia of Social Political Cultural and Economic History provides detailed coverage of all the remarkable developments within the United States during this period as well as their dramatic impact on the rest of the world A Z entries address specific persons groups concepts events geographical locations organizations and cultural and technological phenomena Sidebars highlight primary source materials items of special interest statistical data and other information and Cultural Landmark entries chronologically detail the music literature arts and cultural history of the era Bibliographies covering literature from the postwar era and about the era are also included as are illustrations and specialized indexes **Pursuit** Court Greene,2021-07-19 Suicide is a serious and sadly increasingly common phenomenon in our world It gets much more serious though when it affects those we personally know and love Pursuit is the story of a pastor whose twin brother s death came in such a way casting his life into turmoil Using hunting and fishing stories to make complex emotions and ideas understandable the reader will take a journey with the author through his past with his brother

and toward healing Along the way readers examine the identity crisis that the author faced wrestle with biblical truths and understand the anguish through which those affected by suicide often go Pursuit is just that a dogged pursuit to recover identity something like normalcy and healing in a world suddenly changed Attempting to bring help to some and understanding to others pursuit is presented in a raw and honest way for which the author does not apologize but does hope potential readers will find necessary and not gratuitous

American Book Publishing Record, 2005 *Life, Love, and Sex* Joseph H. Casey S.J., 2004-04-12 People are being forced today to take a stand on same sex marriage assisted suicide and capital punishment As they ponder how to vote on these issues a critical question emerges Is this morally right At the same time people have become confused about the morality of sex in general What should they teach their teenagers and how talk with their older sons and daughters about living together Undergirding current sexual practice is the unquestioned acceptance of contraception Should contraception be explicitly examined Besides clarifying each issue I let the reader know what the Church teaches using the Catechism of the Catholic Church and Pope John Paul II's encyclicals And I show how reasonable

the Church's position is utilizing the writings of Germain Grisez a distinguished lay moral theologian and philosopher To ensure readers understand Grisez's solutions to these diverse issues I explain in simple terms his ethical approach Non Catholics will find especially significant the human reasoning behind such teachings They and Catholics can dialogue on this level The Pope's early writings on conjugal love may prove impressive People just do not discuss abortion today for positions seem hardened and unbreachable By posing a series of fundamental questions logically interrelated I hope to breach the unbreachable At least it will be clear precisely where participants part company from one another The most sensitive issue I find to be homosexuality I have rewritten the treatment a number of times in an effort to be clear fair and sensitive
