Sloan,2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world **Final Acts** Nan Bauer Maglin,Donna Marie Perry,2010 For those who yearn for some measure of control over death Final Acts offers insight and hope Writing in a style free of technical jargon the contributors discuss documents that should be prepared health proxy do not resuscitate order living will power of attorney decision making over medical interventions life support hospice and palliative care aid in dying treatment location speaking for those who can no longer express their will and the roles played by religion custom family friends caretakers money the medical establishment and the government **I Know Who You Are and I Saw What**

You Did Lori Andrews,2012-01-10 A leading social networks specialist from the Illinois Institute of Technology and government advisor on ethical issues regarding new technologies presents a sobering expose on the widespread misuse of personal online data and its potential for compromising safety and credibility recommending specific legal codes to govern personal rights on the Internet **Women's mental health: promoting a gendered approach to policy and service provision** The Women's Health Council,2004

Bio-Psycho-Social Indicators of Suicide Risk Nicola Susan Gray,Robert Snowden,Xenia Gonda,Gianluca Serafini,2022-11-03 **Hastings Law Journal** ,1999 *Oxford Textbook of Suicidology and Suicide Prevention* Danuta Wasserman,2021 Part of the authoritative Oxford Textbooks in Psychiatry series the new edition of the Oxford Textbook of Suicidology and Suicide Prevention remains a key text in the field of suicidology fully updated with new chapters devoted to major psychiatric disorders and their relation to suicide

The Suicidal Person Konrad Michel,2023-09-12 Konrad Michel a leading psychiatrist and acclaimed expert draws on decades of experience to offer necessary new ways of understanding and preventing suicide After one of his first patients died by suicide Michel devoted himself to researching self harm Writing vividly and personally he recounts more than forty years of working with and learning from suicidal patients Michel shows that suicide is not just a consequence of mental illness but an action related to a person s life story Drawing on hundreds of interviews with suicidal patients he argues that suicide and suicide attempts occur when someone experiences extreme emotional pain that severely impairs the ability to think and act rationally Based on this understanding Michel and his colleagues developed a person centered approach to treatment that overcomes the limitations of the traditional medical model Through a brief therapy patients find a personally meaningful narrative understanding of their suicidal thoughts and impulses People at risk can learn to recognize their vulnerabilities in order to manage potentially life threatening situations and keep themselves safe Michel emphasizes the importance of communication

medical professionals need to connect with patients as individuals to identify specific warning signs Both compassionate and rigorous this book provides vital insight into suicide prevention and shows how changing attitudes will help save lives It includes practical advice for people at risk with special emphasis on young people as well as for relatives and health professionals
