Odom, 2021-08-02 Memories and reflections of time in Vietnam by Captain Thomas J Odom **Vietnam Reflections** Doug Steppe, 2020-05-28 Vietnam Reflections looks back over the years and into a tour of duty during 1967 1968 of a group of young men in the 6th Batt 15th Artillery 1st Infantry Division In their own words see how their feelings and emotions shaped the time of service and many of their lives afterwards The ties that developed did make them a family of brothers Now over fifty years later please take some of your time to read and see each person reflecting on their moments plus how it all fits together **Afterthoughts** R. H. Johnson, 2020-01-14 My memoir Afterthoughts Reflections of a Vietnam Veteran is more than just my story From childhood to adolescence to joining the Marines and ending up in Vietnam it could easily pertain to thousands of other small town USA kids growing up during the 50s and 60s Unlike most related Vietnam stories mine covers a specific twelve year period of time in my life as well as others and the personal experiences that we encountered growing up during two of the most controversial and historic decades in American history From the days of American Bandstand to the war in Vietnam these were two decades filled with many changes both socially and politically that very often were radical in their nature By highlighting those events along with factual comments I give the reader a knowledgeable account of what was taking place during that specific period It s a statement of the times with just enough related facts and anecdotes to enhance the narrative It also makes reference to many of the songs that were popular at the time so that hopefully one could put a place and memory to an event that was special to them as they were with me I speak to the reader as if we were sitting and having a couple of beers as I tell them of the birth of Rock n Roll near world annihilation the assassination of a president racial unrest and of course the Vietnam War which would divide this country for years It is told in a frank manner with the tone and language that we used in this period It is not a tell all but rather an honest look at the events that took place during these times
