## **Sultans Yemen 19th century Challenges To Ottoman Rule:**

The Sultan's Yemen Caesar E. Farah, 2002 In the 19th century when the Ottoman Empire restored direct rule over Yemen the resulting turmoil came to threaten the security of the entire Arabian Peninsula This book describes the various military campaigns to regain control over Yemen surveying the increased foreign encroachments by the British in the south and the Italians through the Red Sea and the revolts of the Zaidi Imams and Isma ili tribes Using previously unknown archival material this history of political rivalries and challenges confronting Ottoman Yemen in the 19th century should prove useful for scholars and students Bloomsbury Publishing

*The Sultan's Yemen* Caesar E. Farah, 2002-04-26 In the 19th century when the Ottoman Empire restored direct rule over Yemen the resulting turmoil came to threaten the security of the entire Arabian Peninsula This book describes the various military campaigns to regain control over Yemen surveying the increased foreign encroachments by the British in the south and the Italians through the Red Sea and the revolts of the Zaidi Imams and Isma ili tribes Using previously unknown archival material this history of political rivalries and challenges confronting Ottoman Yemen in the 19th century should prove useful for scholars and students

*Ottoman Nationalism in Transition from Empire to Republic, 1908-1931* Abdullah Simsek, 2024-04-17 This book deals with the complex process of national identity formation in the late Ottoman Empire and early Turkish Republic during a crucial period characterized by transformative events that reshaped both the state and society These events included revolutions wars mass migrations ethnic cleansing genocide the empire s disintegration territorial and demographic changes and the emergence of new states In the face of these events a multitude of old and new formulations and imaginings of nation and national identity took shape and interacted with each other This book focuses on highlighting the diversity of concepts and trajectories that existed during the period and how these played out within a complex web of inclusionary and exclusionary processes and the various ways in which the nation was constituted and conceptualized

**The Islamic World Journal 1893-1907 and the Anti-Nationalist Pan-Islamism of the Hamidean Policy** Amjad Muhsen al-Dajani (al-Daoudi), 2023-10-30 This book illuminates the Islamic World journal s propaganda from 1893 to 1907 It highlights the journal s utility in advancing and defending Sultan Abdul Hamid II s policies during the turbulent time of the 1890s The book sheds light on the political views and editorial activities of the first and last Grand Sheikh of the British Isles Sheikh Abdullah Quilliam This book will interest academics specialists and laymen whose interests relate to anti nationalist Pan Islamism the Armenian massacres of 1894 Pan Islamism Abdul Hamid II s policies British Ottoman relations and British Islam

The European Tributary States of the Ottoman Empire in the Sixteenth and Seventeenth Centuries Gábor Kármán, Lovro Kunčević, 2013-06-20 The European Tributary States of the Ottoman Empire is the first comprehensive overview of the empire s relationship to its various European tributaries Moldavia Wallachia Transylvania Ragusa the Crimean Khanate and the Cossack Hetmanate The volume focuses on three fundamental aspects of the empire s relationship with these polities the various legal frameworks which

determined their positions within the imperial system the diplomatic contacts through which they sought to influence the imperial center and the military cooperation between them and the Porte Bringing together studies by eminent experts and presenting results of several less known historiographical traditions this volume contributes significantly to a deeper understanding of Ottoman power at the peripheries of the empire *Empire, Ideology, Mass Violence: The Long 20th Century in Comparative Perspective* Tobias Hof, 2016-09-20 Despite the vast literature on genocide and mass violence during the 19th and 20th century one question still haunts historians and the wider public alike Why do ordinary men use extreme violence against fellow human beings *Empire Ideology Violence The Long 20th Century in Comparative Perspective* offers innovative methods and interdisciplinary approaches to the study of extreme violence in the long 20th century By looking at case studies from different regions and time periods the contributors shed more light on the social political and economic contexts in which humans are inclined to use extreme forms of violence Topics in the volume include case studies from Asia Africa Europe the Ottoman Empire and the Nazi Third Reich **Ottoman Reform and Muslim Regeneration** Weismann Zachs, 2005-03-24 The late Ottoman period was one of enormous change This book focuses on the evolution of Ottoman reform as it was perceived and negotiated from the perspectives of the capital Istanbul and of the Arab provinces of Syria including Palestine It also examines the close interrelationship between the symbolic and actual measures introduced by the state particularly since the Tanzimat era 1839-76 and the role of Islam as its foundational ethos and as the religion of the majority of the population The twelve case studies included in this volume reveal the extent of the changes that the Ottoman Empire underwent throughout the period ranging from the Ottoman dynasty and court at the top to the marginalized Druzes and Bedouin populations on the periphery *Famines During the 'Little Ice Age' (1300-1800)* Dominik Collet, Maximilian Schuh, 2017-08-01 This highly interdisciplinary book studies historical famines as an interface of nature and culture It will bring together researchers from the natural and social sciences as well as the humanities With reference to recent interdisciplinary concepts disaster studies vulnerability studies environmental history it will examine how the dominant opposition of natural and cultural factors can be overcome Such an integrated approach includes the archives of nature as well as archives of man It challenges deterministic models of human environment interaction and replaces them with a dynamic historicising approach As a result it provides a fresh perspective on the entanglement of climate and culture in past societies **Counter-Narratives** M. Al-Rasheed, R. Vitalis, 2004-03-17 Saudi Arabia and Yemen are two countries of crucial importance in the Middle East and yet our knowledge about them is highly limited while typical ways of looking at the histories of these countries have impeded understanding *Counter Narratives* brings together a group of leading scholars of the Middle East using new theoretical and methodological approaches to cross examine standard stories whether as told by Westerners or by Saudis and Yemenis and these are found wanting The authors assess how grand historical narratives such as those produced by states and colonial powers are currently challenged by multiple historical actors a process which

generates alternative narratives about identity the state and society      **A Vision of Yemen** Alan Verskin,2019-01-08 In 1869 Hayyim Habshush a Yemeni Jew accompanied the European orientalist Joseph Hal vy on his archaeological tour of Yemen Twenty years later Habshush wrote A Vision of Yemen a memoir of their travels that provides a vivid account of daily life religion and politics More than a simple travelogue it is a work of trickster tales thick anthropological descriptions and reflections on Jewish Muslim relations At its heart lies the fractious and intimate relationship between the Yemeni coppersmith and the enlightened European scholar and the collision between the cultures each represents The book thus offers a powerful indigenous response to European Orientalism This edition is the first English translation of Habshush s writings from the original Judeo Arabic and Hebrew and includes an accessible historical introduction to the work The translation maintains Habshush s gripping style and rich portrayal of the diverse communities and cultures of Yemen offering a potent mixture of artful storytelling and cultural criticism suffused with humor and empathy Habshush writes about the daily lives of men and women rich and poor Jewish and Muslim during a turbulent period of war and both Ottoman and European imperialist encroachment With this translation Alan Verskin recovers the lost voice of a man passionately committed to his land and people      **The Korean War in Turkish Culture and Society** Nadav Solomonovich,2021-10-15 This book explores the important role that the Korean War played in Turkish culture and society in the 1950s Despite the fact that fewer than 15 000 Turkish soldiers served in Korea this study shows that the Turkish public was exposed to the war in an unprecedented manner considering the relatively small size of the country s military contribution It examines how the Turkish people understood the war and its causes how propaganda was used to sell the war to the public and the impact of these messages on the Turkish public Drawing on literary and visual sources including archival documents newspapers protocols of parliamentary sessions books poems plays memoirs cartoons and films the book shows how the propaganda employed by the state and other influential civic groups in Turkey aimed to shape public opinion regarding the Korean War It explores why this mattered to Turkish politicians viewing this as instrumental in achieving the country s admission to NATO and why it mattered to Turkish people more widely seeing instead a war in the name of universal ideas of freedom humanity and justice and comparing the Turkish case to other states that participated in the war      **The Orientalist Karl Süssheim Meets the Young Turk Officer İsmâ'il Hakkı Bey** Jan Schmidt,2018-07-17 The book consists of transcriptions and summary translations of two texts in mostly Ottoman Turkish the first of which is the recently discovered second volume of the diary of the German orientalist Karl S ssheim covering the years 1903 08 which he mostly spent in Istanbul The second text is a printed memoir of a Young Turk officer called sma il Hakk in which the latter discusses his life political engagement and the resulting problems S ssheim met sma il Hakk in Cairo in 1908 and kept in contact with him later The texts offer a lively picture of Istanbul and Cairo in the early years of the 20th century the repressive regime of Sultan Abdulhamid II and the heady days of the Young Turk revolution of July 1908      **Rethinking Military History** Jeremy Black,2004 Rethinking

Military History is a bold new thought book that reconsiders military history at the beginning of the twenty first century The chapters provide a valuable and concise survey of the main themes in the study of military history from 1500 to the present day as Jeremy Black reveals the main trends in the practice and approach to military history and proposes a new manifesto for the subject to move forward This must read study demonstrates the limitations of current approaches including common generalizations omissions and over simplifications Engaging theoretical discussions with reference to specific conflicts suggest how these limitations can be remedied and adapted whilst incorporating contributions from other disciplines Rethinking Military History is essential reading for all those with an interest in military history and all who wish to take part in moving the discipline forward

**Nasser's Gamble** Jesse Ferris, 2013 Nasser s Gamble draws on declassified documents from six countries and original material in Arabic German Hebrew and Russian to present a new understanding of Egypt s disastrous five year intervention in Yemen which Egyptian president Gamal Abdel Nasser later referred to as my Vietnam Jesse Ferris argues that Nasser s attempt to export the Egyptian revolution to Yemen played a decisive role in destabilizing Egypt s relations with the Cold War powers tarnishing its image in the Arab world ruining its economy and driving its rulers to instigate the fatal series of missteps that led to war with Israel in 1967 Viewing the Six Day War as an unintended consequence of the Saudi Egyptian struggle over Yemen Ferris demonstrates that the most important Cold War conflict in the Middle East was not the clash between Israel and its neighbors It was the inter Arab struggle between monarchies and republics over power and legitimacy Egypt s defeat in the Arab Cold War set the stage for the rise of Saudi Arabia and political Islam Bold and provocative Nasser s Gamble brings to life a critical phase in the modern history of the Middle East Its compelling analysis of Egypt s fall from power in the 1960s offers new insights into the decline of Arab nationalism exposing the deep historical roots of the Arab Spring of 2011

[Islam in Yemen: Oxford Bibliographies Online Research Guide](#) Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In Islamic studies as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Islamic Studies a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of the Islamic religion and Muslim cultures Oxford

Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com)

**Yemen** Uzi Rabi, 2014-12-17 Yemen tucked into the southwestern corner of the Arabian Peninsula has often escaped regional and international attention And yet its history illuminates some of the most important issues at play in the modern Middle East from Cold War rivalries to the growth of Islamic extremism in the 1990s and from the rise of Al Qaeda in the Arabian Peninsula AQAP in the post 9 11 period to Obama era drone strikes Uzi Rabi looks at this country and its economic and political history through the prism of state failure He examines Yemen s trajectory from revolutions and civil war in the 1960s to unification in the 1990s and on to the 2011 uprisings which eventually saw the fall from power of Ali Abdallah Salih in 2012 Covering the twentieth century history of Yemen from traditional society to a melting pot of revolutions accompanied by foreign intervention Uzi Rabi s book offers an analysis of a state that is failing both in terms of day to day functioning and in terms of offering its citizens a modicum of security Rabi covers the initial rulers of the country Imam Yahya and his descendents who ruled Yemen until 1962 But with the growing influence of Gamal Abd al Nasser s vision of Arab nationalism and the defeat the British and their allies in November 1967 the way was paved for the formation of South Yemen the only declared Marxist regime in the Arab world Rabi tracks the turbulent political history of the two Yemens in particular South Yemen which between 1967 and 1986 saw five presidents come and go three of whom were ousted by violent means But with unification came a new set of problems concerning poverty terrorism and corruption Rabi s analysis of the political beginnings rule and eventual downfall of Salih are key to understanding all of these and how they have contributed to Yemen s current explosive condition Drawing extensively on Arabic sources many of which are not available in the English language Rabi offers important analysis on the volatility of the state in Yemen Based on freshly examined materials this book is a vital reference of any examination of the country s twentieth century history and its impact on the current unstable situation in the wider Middle East

**The Ottoman World** Christine Woodhead, 2011-12-15 The Ottoman empire as a political entity comprised most of the present Middle East with the principal exception of Iran north Africa and south eastern Europe For over 500 years until its disintegration during World War I it encompassed a diverse range of ethnic religious and linguistic communities with varying political and cultural backgrounds Yet was there such a thing as an Ottoman world beyond the principle of sultan rule from Istanbul Ottoman authority might have been established largely by military conquest but how was it maintained for so long over such distances and so many disparate societies How did provincial regions relate to the imperial centre and what role was played in this by local elites What did it mean in practice for ordinary people to be part of an Ottoman world Arranged in five thematic sections with contributions from thirty specialist historians The Ottoman World addresses these questions examining aspects of the social and socio ideological composition of this major pre modern empire and offers a combination of broad synthesis and detailed investigation that is both informative and intended to raise points for future debate The Ottoman World provides a unique coverage of the

Ottoman empire widening its scope beyond Istanbul to the edges of the empire and offers key coverage for students and scholars alike      The Ottoman Army and the First World War Mesut Uyar, 2020-12-30 This is a comprehensive new operational military history of the Ottoman army during the First World War Drawing from archives official military histories personal war narratives and sizable Turkish secondary literature it tells the incredible story of the Ottoman army's struggle from the mountains of the Caucasus to the deserts of Arabia and the bloody shores of Gallipoli The Ottoman army by opening new fronts diverted and kept sizeable units of British Russian and French forces away from the main theatres and even sent reinforcements to Austro Hungary and Bulgaria Against all odds the Ottoman army ultimately achieved some striking successes not only on the battlefield but in their total mobilization of the empire's meagre human and economic resources However even by the terrible standards of the First World War these achievements came at a terrible price in casualties and ultimately loss of territory Thus instead of improving the integrity and security of the empire the war effectively dismantled it and created situations and problems hitherto undreamed of by a besieged Ottoman leadership In a unique account Uyar revises our understanding of the war in the Middle East      The Margins of Empire Janet Klein, 2011-05-31 At the turn of the twentieth century the Ottoman state identified multiple threats in its eastern regions In an attempt to control remote Kurdish populations Ottoman authorities organized them into a tribal militia and gave them the task of subduing a perceived Armenian threat Following the story of this militia Klein explores the contradictory logic of how states incorporate groups they ultimately aim to suppress and how groups who seek autonomy from the state often attempt to do so through state channels In the end Armenian revolutionaries were not suppressed and Kurdish leaders whose authority the state sought to diminish were empowered The tribal militia left a lasting impact on the region and on state society and Kurdish Turkish relations Putting a human face on Ottoman Kurdish histories while also addressing issues of state building local power dynamics violence and dispossession this book engages vividly in the study of the paradoxes inherent in modern statecraft

*Population Displacements and Multiple Mobilities in the Late Ottoman Empire*, 2023-05-25 The long lasting Ottoman Empire was a theatre of armed conflict and human displacement Whereas military victories in the early modern period enabled its territorial expansion and internal consolidation the later centuries were shaped by military defeat and domestic turmoil setting hundreds of thousands sometimes even millions of people in motion Spanning from Europe to Asia the book reassesses these movements Rather than adopting a teleological approach to the study of the Ottoman defeat it connects late Ottoman history to wider dynamics extending or challenging existing concepts and narratives
