Suburgatory lampoons the absurdities and contradictions that Linda Keenan has witnessed since leaving New York City where she was a thoroughly urban CNN news producer for seven years and settling down as a hapless stay at home suburban mother The original proposal for this book was picked up by Warner Brothers and you can see their imagining of Suburgatory on the ABC show of the same title Keenan was forced by the man in her life to leave her beloved New York City for a supposed suburban utopia Instead she found herself trapped in a place where conformity is king and where she often felt like she had been taken hostage by an adult Girl Scout troop So Keenan decided to train her twisted reporter s eye on the strange inhabitants of this new foreign land Thought of as a local town newspaper or website Suburgatory excoriates through satirical local news stories the mostly upper middle class American pieties and parenting obsessions targeting the all around bad behavior raging underneath the surface of those obsessively tended suburban lawns and bikini lines *It's Your Wedding - Not Theirs* Miles O'Brien Riley,2008-11 The Bridal Biz not only triples the price of wedding services it literally takes the wedding away from the bride and makes it an impersonal secular event that is all they know and treats your wedding like a Ken and Barbie runway at a fashion show based on Hollywood movies and silly TV shows It s Your Wedding Not Theirs is a comprehensive creative guide to help you plan a distinctively unique personal and sacred celebration If you want a Martha Stewart wedding do not buy this book With photos and suggestions from 55 brides this book offers dozens of tips on how to make your celebration a memorable experience not just an expensive event This simple 65 page guide book will walk you through 40 plus chapters including your goal your attitude your groom your mother your focus or theme your family your budget your guest list your location your celebrant your wardrobe your rings your vendors your ceremony your legal requirements your program your rehearsal and dinner your ceremony and reception your honeymoon and your marriage With very practical tips on every aspect of your wedding weekend from welcome to readings and love letters to vows and symbols of unity to cultural customs favors toasts and cake this book shows you how to present yourselves as hosts rather than self conscious stars and how to move from a costly cookie cutter party to a sacred fun mature memorable celebration *A Wider View of the Universe* Robert Kuhn McGregor,2017-05-15 Thoreau in his early career did not consider nature a worthy subject for his pen Beginning with only a superficial knowledge of nature even while living at Walden Pond he later began to study the subject more intensely in 1849 Over the next dozen years he applied himself especially to botany and ornithology seeking to integrate knowledge into the larger patterns of life Independently deriving what today would be considered an ecological worldview Thoreau devoted the last years of his writing career to nature studies written in his own distinctive voice In this revised edition of a standard study of Thoreau and nature the author traces the origins and development of Thoreau s shift in viewpoint and his painstaking efforts thereafter **Dance of the Sleepwalkers** Frank M. Calabria,1993 The author draws upon the humanities and social sciences to analyze the meaning and significance of this

form of aberrant play Dance of the Sleepwalkers is descriptive of a freak form of amusement but more importantly it identifies the posture of Americans living in modern times the automaton
