*Sisters of Summer's End* Lori Foster, 2019-06-11 As the summer ends friendship begins When single mom Joy Lee abandoned her old life to take a job at a lakeside resort she found something that her family's wealth and influence could never buy peace of mind Not easy to come by for the once burned divorcee who keeps everyone at a distance But when her new friend Maris dares her to take a chance with the drive in's charismatic new owner everything changes for Joy and her young son A difficult childhood has left Maris Kennedy with definite priorities Her job running Summer's End the camp store and cafe comes first Always Nothing could ever make her risk that hard won security especially not her free spirited colleague But the more she encourages Joy to open herself up to new experiences the more Maris begins to wonder what she too might be missing Learning how to trust will bring Joy and Maris together And soon they form a friendship that leaves them as close as sisters and open to love where they least expect it in Summer's End Don't miss *The Love Shack* an all new heart stirring romance from New York Times bestselling author Lori Foster about Berkley Carr who while running her animal haven must confront her past and the undeniable chemistry she shares with her neighbor in a small town determined to play matchmaker More charming contemporaries from Lori Foster *The Little Flower Shop* *The Honeymoon Cottage* *The Somerset Girls* *The Summer of No Attachments* *Sisters of Summer's End*      **Dogtag Summer** Elizabeth Partridge, 2011-03-15 Twelve year old

Tracy or Tuyet has always felt different The villagers in Vietnam called her con lai or half breed because her father was an American GI And she doesn't fit in with her adoptive family in California either But when Tracy and a friend discover a soldier's dogtag hidden among her father's things it sets her past and her present on a collision course Where should her broken heart come to rest In a time and place she remembers only in her dreams Or among the people she now calls family Partridge's sensitive portrayal of a girl and her family grappling with the complicated legacy of war is as timely today as the events were decades ago      **Summer's Heart** Suzanne Cass, 2025-10-15 She has good reason not to trust a cop but he's the only one who can keep her safe Wildlife photographer Summer Perez has taken thousands of photos and videos of endangered wildlife but she's about to find out that one of those photos might just get her killed When her apartment is ransacked and her precious camera is stolen she foolishly chases the thief down the street only to run straight into the arms of Inspector Merten Viskten a Swedish police officer on holiday in Seattle Things turn deadly when Summer evades a second kidnap attempt and they discover her friend and colleague has also gone missing It seems both women are the targets of a vicious eco terrorist intent on preventing the photo evidence from reaching the FBI Against her will and her better judgment she cannot bring herself to trust a cop Summer is forced to flee to Sweden with Merten to stay safe Protecting a petite photographer shouldn't be a problem for Merten but he finds his focus slipping when their sizzling chemistry distracts him from the truth The heat between them is undeniable and when they finally give in to temptation everything falls apart as Summer's life is again threatened The truth comes out about Summer's past and the reason she is so untrusting of the police
