Reel Women Jane Sloan, 2007-03-26 In the last several decades the number of films featuring female protagonists has increased significantly Many of these films reflect the vast cultural and sociological changes that have taken place since the early 1960s highlighting not only a wide spectrum of female characters depicted onscreen but the creative work of women behind the camera as well In Reel Women An International Directory of Contemporary Feature Films about Women media librarian Jane Sloan has assembled an impressive list of more than 2400 films from nearly 100 countries that

feature female protagonists Each entry includes a brief description of the film and cites key artistic personnel particularly female directors producers and screenwriters involved in its production *Reel Women* also contains a critical survey in which Sloan charts the changes women have undergone both on screen and off as moviemaking and audience sensibilities have evolved in the last forty plus years Listing many more films on the subject of women than can be found in any other source this reference brings together important titles from area studies and genre markets along with titles associated with women s cinema and feminist film In addition to title and actor indexes the book contains a subject index that provides detailed access to place names historical characters time periods and storylines as well as the backgrounds _religious racial and ethnic_ of the main characters This directory is an ideal reference tool for researchers studying the evolution of female characters in films around the world from Afghanistan to Zimbabwe It is also a resource for casual viewers who are looking for films that reflect the diversity of women s roles that can be found in independent and national cinemas as well as commercial blockbusters

Soundtracks Stewart R. Craggs,2019-05-03 First published in 1998 music scored for film has only relatively recently received the critical attention which it merits Many composers in the twentieth century have written works for films or documentaries a number feeling that this aspect of their output has been undervalued This dictionary complements other studies which have appeared in recent years which look at the technical and theoretical issues concerned with film music composition Arranged alphabetically by composer the volume comprises over 500 entries covering all nationalities Each entry includes very brief biographical information on the composer followed by a list of the films with dates for which he or she has composed Details of recordings are also given The dictionary s international coverage ensures that it will become a standard reference work for all those interested in the history of twentieth century music and the development of film

Broadway Actors in Films, 1894-2015 Roy Liebman,2017-02-20 Many Broadway stars appeared in Hollywood cinema from its earliest days Some were 19th century stage idols who reprised famous roles on film as early as 1894 One was born as early as 1829 Another was cast in the performance during which Abraham Lincoln was assassinated One took her stage name from her native state Some modern day stars also began their careers on Broadway before appearing in films This book details the careers of 300 performers who went from stage to screen in all genres of film A few made only a single movie others hundreds Each entry includes highlights of the performer s career a list of stage appearances and a filmography
