Goldblatt, 2024-12-06 Thirteen selected papers from an international conference on contemporary Chinese literature held near Gunzburg, Bavaria, in June/July 1986 constitute both a record of literary writings from the PRC, Hong Kong, and Taiwan as well as an overview of the broader international role of Chinese writing in translation. ***Two Rivers, a World Apart*** Mel Simon M.D., 2018-08-01 *Two Rivers, a World Apart* is an autobiography of a young boy who spent most of his life by the banks of two rivers: namely, the Pigalo River in his native country, the Philippines, and the Ohio River in continental USA, where he took permanent residence and eventual retirement. Both served as the backdrop of the story of a young boy searching for the American dream. Against all odds, like his sufferings and difficulties, both financially and otherwise, he managed to overcome them through sheer determination and hard work. Above all, he believes that his deep belief and trust in the Almighty has propelled him to higher accomplishments. His boyhood pledge to give back to his community as well as to the poor people in his native country was fulfilled by using as a platform his membership with the oldest and greatest service organization in the world, the Rotary International, and the Rotary Foundation. Through his affiliations, Operation We Care was born, and he was able to carry out over thirty years of medical, surgical, dental missions in the different islands of the Philippines with his team of surgeons, doctors, nurses, and health care givers. These are in addition to his unceasing efforts to donate surgical equipment and hospital supplies and construct several deep water wells in villages to curtail gastrointestinal diseases. He also helps in literacy and feeding programs for undernourished schoolchildren. For his work, he was recognized not only by the Rotary International and the Rotary Foundation but also by five previous presidents of the Philippines. A few establishments were named after him, such as the Dr. Mel P. Simon and Lydia Chemistry Lab at the University of Rio Grande, the surgical ward of the Region One Medical Center in Dagupan, Philippines. He was also nominated for the Ohio Senior Citizens Hall of Fame on May 24, 2010, by the Ohio State governor for establishing the French 500 Free Clinic, a project with five volunteer physicians, nurses, health care givers to extend help to poor, uninsured, or underinsured patients. *Worlds Apart* Guy

thoughts on technology This book looks at the evolution of Heidegger's understanding of human politics viewed through the lens of his ontological articulations from the early 1930s to the end of his life with a deep focus on the role that Nietzsche plays in Heidegger's understanding of technology and the technological The key question within Heidegger's thoughts on technology is whether Heidegger is proposing a sense of responsibility and therefore an ethics in his notion of a technological saving power Cardoza Kon develops an understanding of what the political ramifications of this are and what can we take from Heidegger's thought today

The Once Upon a Time World Jonathan Miles, 2023-09-05 Chronicling two hundred years of glamour intrigue and hedonism this rich and vivid history of the French Riviera features a vast cast of characters from Pablo Picasso and Coco Chanel to Andre Matisse and James Baldwin 1835 Lord Brougham founded Cannes introducing bathing and the manicured lawn to the wilds of the Mediterranean coast Today much of that shore has become a concrete mass from which escape is an exclusive dream In the 185 years between the stretch of seaboard from the red mountains of the Esterel to the Italian border hosted a cultural phenomenon well in excess of its tiny size A mere handful of towns and resorts created by foreign visitors notably English Russian and American attracted the talented rich and famous as well as those who wanted to be For nearly two centuries of creativity luxury excess scandal war and corruption the dark and sparkling world of the Riviera was a temptation for everybody who was anybody Often frivolous it was also a potent cultural matrix that inspired the likes of Picasso Matisse Coco Chanel Scott Fitzgerald Cole Porter James Baldwin Catherine Mansfield Sartre and Stravinsky In *Once Upon a Time World* Jonathan Miles presents the remarkable story of the small strip of French coast that lured the world to its shores It is a wild and unforgettable tale that follows the Riviera's transformation from paradise and wilderness to a pollution imperiled concrete jungle

Queens Around the World, 1520-1620 Dror Ze'evi, 2024-12-05 This textbook explores the histories of royal women in Europe the Middle East and parts of Asia in the sixteenth and early seventeenth centuries It argues that by dint of an unprecedented conjunction of historical shifts and powerful personalities it was these women and not men who sat at the helm of global politics moreover it was they who in truth steered our world's transition from the Middle Ages to modernity Organized into chapters devoted to each of the era's great states the book sets out to challenge several historical premises First it shows that women were the actual if not always formally crowned sovereigns of these states or at least played a decisive role in shaping their policies Second the book dissolves the conventional dichotomy between East and West showing that in both Christian Europe and Islamdom women achieved their high status by means of similar strategies and at similar periods in history Third by demonstrating that there was a precedent for female authority long before the first harbingers of the women's movement in the eighteenth century the book calls into question received ideas about historical progress and the evolution of women's liberation
