Observing Children in the Primary Classroom (RLE Edu O) Richard Mills,2012-05-31 In a sequence of observations of six children aged 5 11 in six different state schools this book offers a slice of classroom life a microcosm of the educational scene Since the book was first written there have been many changes in the curriculum structure governance and funding of British primary schools as well as in the language used to describe these changes But *Observing Children in the Primary Classroom* remains as valid now as earlier as a lively and entertaining indicator of children s daily school experience We see the reception class of an infants school through the eyes of Mike a lively five year old traveller boy Six year old Rashda a girl of Asian heritage grapples with English as a Second Language at her multi ethnic city school Slow learner David finds school life rather overpowering despite receiving expert extra help Lucy eight is a star in everything she does at her Roman Catholic school while Lorraine one year older is cheerful but utterly bewildered Finally Peter organises his work in an open plan setting and makes some surprising choices

Places In The Primary School Patrick Wiegand,2012-10-12 Using a cross curricular approach Wiegand discusses the knowledge necessary for preparing children for life in a pluralist society Looking at theories of education for citizenship environment education and economic and industrial understanding it examines the evidence for what children know and feel about their own country other countries and people in distant places He offers practical suggestions for curriculum planning and classroom activities in the primary school and examines ways in which project work on different localities can be initiated and developed Commonwealth ,1983 **Growing Point** ,1984

Routledge Library Editions: Education Mini-Set O Teaching and Learning 14 vols Various,2021-12-02 Originally published between 1973 and 1993 the 14 books in this set discuss a number of themes such as policy practice and evaluation in schools dealing with disruptive behaviour issues regarding the teaching of arts and sciences ethnographic studies of life in primary and secondary schools and critical events in teaching and learning What Difference Does it Make, Danny?
