**Montana's Genealogical and Local History Records** Dennis Lee Richards,1981      *The Treasure of Encouragement* Christopher W. Lange,2024-12-17 Encouragement can come in many forms from believers to other believers It can also have an amazing effect on folks we barely know It doesn't cost much it can be given freely without qualification and it may very well change a person's direction in life Many have trudged through difficulties and problems that have beset their days and stolen their joy These same folks may not have revealed their troubles to anyone silently enduring gray hours without hope

Let's face it encouragement is not a magic pill which when swallowed changes everything But I would not hesitate to give it if I thought there was the smallest chance that I could befriend could share a burden or lighten a load for another human being It is a heart attitude toward others who are fellow travelers on the road to eternity And it is a way to share Christ to those not on that road Readers need the willingness to spend time with another to be available often when very busy and to be given to the Lord's things ... **History of Washington, Idaho and Montana, 1845-1889** Hubert Howe Bancroft, 1890     **The**
