

The background image is a dark, moody photograph of a river at night. The water is dark blue and black, with some ripples. In the center, there is a glowing, ethereal blue figure that appears to be a person or a creature, possibly a mermaid or a ghost, emerging from the water. The figure is illuminated from within, creating a bright blue glow. The overall atmosphere is mysterious and scary. The title text is overlaid on the lower half of the image.

public with their authoritarian versions of history In sum this is a book committed to democracy This commitment does not imply any disrespect for the academy or for opposing points of view but at its heart it defends historiography via scientific method to counter authoritarian imposition of a historical narrative that supports dictatorship in any form and its leaders political and military remaining in power through coercion
