White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist **Supplement to Vietnam 1964-1973**

, 2005 **Special Issue** Austin Sarat, 2014-05-16 In *The Beautiful Prison* incarcerated Americans and prison critics seek to imagine the prison as something better than a machinery of suffering From personal testimony to theoretical meditation these writers explore and confront the practical and cultural limits the prison places on its transformation into a socially constructive institution **The United States and the Vietnam War, 1954-1975** Louis Peake, 2007-11-13 The United States in the Vietnam War 1954 1975 is an invaluable reference guide to the costly and controversial war the U S waged in Vietnam over the course of five presidential administrations Focusing not only on the conflict in Southeast Asia but also on the tumult the war inspired on the domestic front Louis Peake provides an authoritative guide to the wide range of media available on the U S involvement in Vietnam From collections of art work and poetry about the soldiering experience to journalistic accounts of battles and military training films the entries consistently provide clear and concise descriptions allowing the reader to easily identify the value of any particular resource With revised and updated annotations and over 150 new entries this second edition of *The United States in the Vietnam War 1954 1975* is an invaluable reference tool for researchers and students of the Vietnam War Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian *For Commanders*, 1963

*Vietnam Bulletin*, 1969 **Tours of Vietnam** Scott Laderman, 2009-01-16 An argument that tourist literature and U S military guides have shaped Americans understanding of Vietnam and projections of U S power since the mid twentieth century *The Nexus of Law and Biology* Barbara Ann Hocking, 2016-02-17 Although law and science have interacted for centuries today their interactions pose enormous challenges These challenges are reflected in issues ranging from

reproductive technology and resource conservation to genetic technology and biological warfare The emerging dialogue is complex and requires an ongoing re thinking of general principles such as expert biological evidence which features in a wide range of legal contexts and including medical law torts crime and intellectual property Studying the many ways in which law and biology come together in many areas of contemporary life The Nexus of Law and Biology New Ethical Challenges explores the juridical uses of biological sciences to illuminate key issues and contemporary intersections arguing that each of several disciplines must communicate with one another recognizing a common ground in ethics Featuring an impressive list of contributors this book is an invaluable reference for legal scholars students practising lawyers and scientists engaged with the legal system

Stakeholders of Terrorism and the Caribbean Emanuel Quashie, 2023-08-30 The book ambitiously seeks to shape our understanding of terrorism by offering a more systematic interpretation of terrorism activism through the Stakeholders of Terrorism concept The author presents an original assessment of terrorism broadly and specifically within the context of the Caribbean through the Stakeholders of Terrorism concept with a view to help the region enhance its counterterrorism policies nationally regionally that recognises the complex inherent duality In doing so the author first borrows from and adds to the prevailing literature as it relates to the various explanatory frameworks psychology religion strategy culture civilization context politics and economic dimensions and the specific stakeholders of terrorism U S mainstream media ISIS and Individual actors lone wolf The Stakeholders of Terrorism concept argues more broadly the existence of an inherent duality a multiplicity of intangible and tangible negatives and positives that are simultaneously present in most situations concerning terrorism activism

**War Beyond the Battlefield** David Grondin, 2013-09-13 In an effort to make sense of war beyond the battlefield in studying the wars that were captured under the rubric of the War on Terror this special issue book seeks to explore the complex spatial relationships between war and the spaces that one is not used to thinking of as the battlefield It focuses on the conflicts that still animate the spaces and places where violence has been launched and that the war has not left untouched In focusing on war beyond the battlefield it is not that the battlefield as the place where war is waged has gone in smoke or has borne out of importance it is rather the case that the battlefield has been dis placed re designed re shaped and rethought through new spatializing practices of warfare These new spaces of war new in the sense that they are not traditionally thought of as spaces where war takes place or is brought to are television screens cellular phones and bandwidth George W Bush s ranch in Crawford Texas videogames popular culture sites news media blogs and so on These spaces of war beyond the battlefield are crucial to understanding what goes on the battlefield in Iraq Afghanistan or in other fronts of the War on Terror such as the homeland to understand how terror has globally been waged beyond the battlefield This book was originally published as a special issue of Geopolitics

*Understanding Terrorism* Gus Martin, 2006-02-17 Praise for the First Edition I am very favorably impressed with this book The author is well informed and an excellent writer The recommended readings Web sites boxes tables and the like provide very attractive

features There is an abundance of very good historical and current examples I would adopt this book for my courses and look forward to its publication Frank Hagan Mercyhurst College Understanding Terrorism Second Edition is a uniquely comprehensive exploration of contemporary terrorism suitable for professional as well as for academic courses of instruction It incorporates key topics as well as discussion boxes and Web exercises intended to stimulate critical thinking in readers a true one stop shop for gaining an understanding of the field New to the Second Edition new chapters on religious terrorism a consolidated chapter on ideological terrorism and a new chapter on two cutting edge topics gender focused political violence and the nexus between criminal enterprises and terrorist violence a resource Website devoted to the book to enhance learning introductory opening viewpoints in each chapter to give an overview of the concepts explored within Understanding Terrorism is one of the first core studies on the subject of terrorism offering a comprehensive review of the events ideas motivations and histories that result in terrorist activity as well as an examination of the theories helping to explain such activity Cross Currents ,1997 *Medal of Honor Commemorative 150th Anniversary Limited Edition* ,2011-11-01 This numbered limited edition of Medal of Honor Portraits of Valor Beyond the Call of Duty has been published to celebrate the 150th anniversary of the medal The clothbound book fits into an elegant clothbound slipcase embedded with a commemorative medallion that was struck for this occasion and has been embossed and debossed on both sides The book includes 144 contemporary portraits of recipients by award winning photographer Nick Del Calzo and profiles by National Book Award nominee Peter Collier First published on Veterans Day 2003 this New York Times bestseller has now been updated and augmented to include new essays plus Letters from all living presidents A foreword by Brian Williams Profiles of both Sergeant Giunta and Sergeant Petry the first two living recipients of the medal since the Vietnam War There are also essays by Tom Brokaw Senator John McCain and Victor Davis Hanson and a multimedia DVD with historic footage and recipients first person reflections The Medal of Honor recipients in the book fought in conflicts from World War II to Afghanistan serving in every branch of the armed services **Horror That Haunts Us** Karrà Shimabukuro,Wickham Clayton,2024-02-06 Horror s pleasures fundamentally hinge on looking backward either on destabilising trauma or as a period of comfort and happiness which is undermined by threat However this stretches beyond the scares on our screens to the consumption and criticism of the monsters of our past The horror films of our youth can be locations of psychological and social trauma or the happy place we go back to for comfort when our lives become unsettled Horror That Haunts Us Nostalgia Revisionism and Trauma in Contemporary American Horror is a collection of essays that brings together multiple theoretical and critical approaches to consider the way popular horror films from the last fifty years communicate embody and rework our view of the past Whether we look at our current relationship to the scary movies of decades ago as personal or cultural memory the way historical and sociopolitical events and frameworks especially traumas reframe the way we look at our pasts or even the way recent horror films and video games look back at our past and the past of the genre itself

through a filter of experience and history this collection will show the close relationship between nostalgia and popular horror These essays also demonstrate a range of unique and diverse points of view from both established and emerging scholars on the subject of horror and the past Edited by seasoned horror experts Karr Shimabukuro and Wickham Clayton Horror That Haunts Us is a book with the aim of examining why we return again and again to certain popular horror films either as remakes or reboots or as the basis for pastiche and homage The Marine Corps Gazette ,1988 **National Union Catalog** Library of Congress,1979 Includes entries for maps and atlases *Air University Library Index to Military Periodicals* ,1998 **The Routledge Handbook of Terrorism Research** Alex Schmid,2011-02-25 This major new Handbook synthesises more than two decades of scholarly research and provides a comprehensive overview of the field of terrorism studies The content of the Handbook is based on the responses to a questionnaire by nearly 100 experts from more than 20 countries as well as the specific expertise and experience of the volume editor and the various contributors Together they guide the reader through the voluminous literature on terrorism and propose a new consensus definition of terrorism based on an extensive review of existing conceptualisations The work also features a large collection of typologies and surveys a wide range of theories of terrorism Additional chapters survey terrorist databases and provide a guide to available resources on terrorism in libraries and on the Internet It also includes the most comprehensive World Directory of Extremist Terrorist and other Organizations associated with Guerrilla Warfare Political Violence Protest and Organized and Cyber Crime The Routledge Handbook of Terrorism Research will be an essential work of reference for students and researchers of terrorism and political violence security studies criminology political science and international relations and of great interest to policymakers and professionals in the field of counter terrorism The New Monuments and the End of Man Robert Slifkin,2019-11-05 How leading American artists reflected on the fate of humanity in the nuclear era through monumental sculpture In the wake of the atomic bombings of Japan in 1945 artists in the United States began to question what it meant to create a work of art in a world where humanity could be rendered extinct by its own hand The New Monuments and the End of Man examines how some of the most important artists of postwar America revived the neglected tradition of the sculptural monument as a way to grapple with the cultural and existential anxieties surrounding the threat of nuclear annihilation Robert Slifkin looks at such iconic works as the industrially evocative welded steel sculptures of David Smith the austere structures of Donald Judd and the desolate yet picturesque earthworks of Robert Smithson Transforming how we understand this crucial moment in American art he traces the intersections of postwar sculptural practice with cybernetic theory science fiction cinema and literature and the political debates surrounding nuclear warfare Slifkin identifies previously unrecognized affinities of the sculpture of the 1940s and 1950s with the minimalism and land art of the 1960s and 1970s and acknowledges the important contributions of postwar artists who have been marginalized until now such as Raoul Hague Peter Grippe and Robert Mallary Strikingly illustrated throughout The New Monuments and the End of Man spans the decades from Hiroshima

to the Fall of Saigon when the atomic bomb cast its shadow over American art      *Global Communication* Thomas L. McPhail, 2011-08-31 *Global Communication* is the most definitive text on multi national communication and media conglomerates exploring how global media particularly CNN the BBC Euronews and Al Jazeera influence audiences and policy makers alike Includes four completely new chapters on Asian media Euromedia the Middle East and public diplomacy from a post 9 11 perspective Updates the story of arab media with a section on Arab Media and the Al Jazeera Effect by Middle East based expert Lawrence Pintak Covers the global war on terrorism and the substantial US investment in Iraqi media Provides updated accounts and overviews of the largest and most important media corporations from around the world from MTV and CNN to Bollywood Incorporates discussions of Hulu YouTube Myspace and the Twitter phenomenon as well as new stakeholders in global online media
