Duthel,2012-03-05 Pitbull was born to Cuban parents who made him recite the works of poet Jos Mart He encountered problems early in his career as a rapper because he was blue eyed white and Cuban American He was also influenced by the Miami bass genre of hip hop music and has cited Celia Cruz and Willy Chirino as sources of inspiration for his music *The Book of Jose* FAT JOE,Shaheem Reid,2023-11-07 Grammy nominated multi platinum selling artist entrepreneur and philanthropist Fat Joe pulls back the curtain on his larger than life persona in this gritty intimate memoir about growing up in the South Bronx and finding his voice through music An adrenaline rush buckle up and lean back Spin Fat Joe is a hip hop legend but this is not a tale of celebrity it is the story of Joseph Cartagena a kid who came of age in the South Bronx during its darkest years of drugs violence and abandonment and how he navigated that traumatizing landscape until he found through art friendship luck and will a rocky path to a different life Joe is born into a sprawling Puerto Rican and Cuban family in the projects of the South Bronx From infancy his life is threatened by violence and by the time he starts middle school he is faced with the grim choice that defined a generation to become predator or prey Soon Joe and his crew dominate the streets but he finds his true love among the park jams where the Bronx s wild energy takes musical form His identity splits in two a hustler roaming record stores looking for beats and a budding rapper whose violent rep rings in the streets As Joe s day to day life becomes more fraught with betrayal addiction and death until he himself is shot and almost killed he gravitates toward the music that gives him both a voice to tell the stories of his young life and the tools he needs to create a new one The challenges never stop but neither does Joe This memoir written in Joe s own intensely compelling voice moves with the momentum of pulp fiction but underneath the tragicomedy and riveting tales of the streets and the industry is a thought provoking story about a generation of survivors raised in warlike conditions the life and death choices they had to make the friends they lost and mourned and the glittering lives they created from the ruins *Billboard* ,2002-12-28 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Kingdom Come** Rob Murphy,2011-10-04 2015 The United Kingdoms just discovered enough oil to guarantee prosperity for the next 100 years The Government sees this as the final cog in its project to make the
