Tertullian Treatise On Penance On Penitence And On Purity:

Treatises on Penance Tertullian, 1959 The judgment that one forms of the theory and practice of penance in Christian antiquity will be largely determined by the interpretation which one puts upon these two treatises On Penitence dates from Tertullian's Catholic period and is a sermon addressed to the faithful on the subject of repentance and forgiveness On Purity is one of his most violent Montanist treatises In it he criticizes the policy the church follows in granting pardon to serious sins

Conceptual Blending in Early Christian Discourse Aleksander Gomola, 2018-03-19 Cognitive linguists and biblical and patristic scholars have recently given more attention to the presence of conceptual blends in early Christian texts yet there has been so far no comprehensive study of the general role of conceptual blending as a generator of novel meanings in early Christianity as a religious system with its own identity This monograph points in that direction and is a cognitive linguistic exploration of pastoral metaphors in a wide range of patristic texts presenting them as variants of THE CHURCH IS A FLOCK network Such metaphors or blends rooted in the Bible were used by Patristic writers to conceptualize a great number of particular notions that were constitutive for the early church including the responsibilities of the clergy and the laity morality and penance church unity baptism and soteriology This study shows how these blends became indispensable building blocks of a new religious system and explains the role of conceptual blending in this process The book is addressed to biblical and patristic scholars interested in a new unifying perspective for various strands of early Christian thought and to cognitive linguists interested in the role of conceptual integration in religious language Produced with the support of the Faculty of Philology Jagiellonian University in Krak w Poland

Indulgences: Luther, Catholicism, and the Imputation of Merit Mary C. Moorman, 2017-08-01 At the five hundredth anniversary of Martin Luther's Ninety Five Theses and the dawn of the Protestant movement *Indulgences Luther Catholicism and the Imputation of Merit* sets forth a revised theological interpretation of the Church's practice of indulgences Author Mary C Moorman argues that Luther's sola fide theology merely absolutized the very logic of indulgences which he sought to overthrow while indulgences in their proper context remain an irreducible witness to the Church's corporate nuptial covenant with Christ by which penitents are drawn into deeper fellowship with the Church and the Church's Lord As Robert W Shaffern Professor of Medieval History at the University of Scranton writes in his foreword to

Indulgences Mary Moorman's book joins a number of recent scholarly studies that revise substantially the old convictions about indulgences. She is mostly interested in how theological thinking about indulgences should be done today with of course the help that patristic medieval and early modern authorities might lend. She brings to bear a broad range of primary and secondary sources on the issue of indulgences and constructs an impressive series of covalent images with which to understand the role of indulgences in today's Christian Church.

Marriage, Celibacy, and Heresy in Ancient Christianity David G. Hunter, 2007-01-26 Marriage Celibacy and Heresy in Ancient Christianity is the first major study in English of the heretic Jovinian and the Jovinianist controversy. David G. Hunter examines early Christian views on marriage and celibacy in the first three centuries and the development of an anti-heretical tradition. He provides a thorough analysis of the responses of Jovinian's main opponents including Pope Siricius, Ambrose, Jerome, Pelagius, and Augustine. In the course of his discussion, Hunter sheds new light on the origins of Christian asceticism, the rise of clerical celibacy, the development of Marian doctrine, and the formation of orthodoxy and heresy in early Christianity.

Repentance and Forgiveness Matthew E. Burdette, Victor Lee Austin, 2020-09-24 Reconciliation is at the heart of the Christian faith. It is what God accomplishes by the incarnation of his Son, by Jesus' cross, resurrection, and exaltation, that all people be drawn to God in Christ and in being so drawn, drawn into fellowship with one another. The good news of reconciliation is therefore also a call to repent and to receive forgiveness and then concomitantly to forgive. The present volume endeavors to reexamine these most fundamental Christian claims. These essays, which were first presented at the 2017 annual Pro Ecclesia conference, return to the biblical sources to help us understand reconciliation afresh. The authors raise questions about repentance and forgiveness from various perspectives: Jewish, Roman Catholic, Orthodox, and Protestant. They also consider our present-day context, what has been called the technoculture, as well as the practice of repentance and forgiveness. With contributions by Stephen Westerholm, Ellen T. Charry, Dominic Langevin, O. P. Peter, C. Bouteneff, Brent Waters, John P. Burgess.

'Hand this man over to Satan' David Raymond Smith, 2009-04-13 1 Corinthians 5:5 is a curious passage which has been variously interpreted by scholars. For some it denotes a magical curse which is designed to cause the physical death of the sinner. Others have found such an interpretation unpersuasive. Instead, they maintain that Paul's words at verse five are to be understood as a metaphor for exclusion from the Corinthian community. So the errant Corinthian is not to die by a curse but is to be excluded. This work argues for the former interpretation by marshalling a range of the most recent specialised magical material which has not been considered by other works in relation to 1 Corinthians 5. It fully acknowledges the weaknesses of previous magical interpretations and metaphorical approaches to the passage. Instead, it presents a fresh magical reading of not only 1 Corinthians 5:5 but the whole of 1 Corinthians 5 within its wider context of the apostle Paul's

letter to the Corinthians *Christian and Pagan in the Roman Empire* Tertullian, 2001-09 In this volume Robert D Sider undertakes a judicious pruning of the original texts and brings a fresh accessibility to the important writings of Tertullian

Weinrich, Thomas C. Oden, 2014-02-19 The Revelation to John with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth was widely read even as it was variously interpreted in the early church Drawing heavily on both Eastern and Western ancient commentators much appearing in English for the first time this ACCS volume is a treasure trove of early interpretation **Ancient Christian Writers**, 1946 *Ezekiel, Daniel* Kenneth Stevenson, Michael Glerup, Thomas C. Oden, 2014-02-19 The books of Ezekiel and Daniel are rich in imagery that is taken up afresh in the New Testament It is no wonder these books despite the difficulties in interpreting them took hold on the imagination of the early church In this ACCS volume over forty church fathers are cited and four extant works are included providing a wealth of insight Books in Print, 1987
