Through hundreds of photographs from notable artists alongside ephemera and memorabilia such as programs, posters, advertisements, and album covers, the book evokes the magic moment of the festival as the epicenter of a groundbreaking movement, showcasing it in all its kaleidoscopic glory. *Monterey Jazz Festival* Jim W. Vestal, 2009-05-18

The 56th edition of the Monterey Jazz Festival is Sept 20-22, 2013, with a Friday afternoon kick-off. Here is a close look at the Monterey Jazz Festival when it started in 1958 and 1959, the oldest continuously running jazz festival in the world. More pictures not shown in the Preview from 1959 and 1965, with close-up action pictures of the great musicians of that day that have a place in the music world as the Jazz Greats of the day. The festival is held every year in September. These are images that were taken by Sam and Jim Vestal, California news photographers that remained active from the 1950s to the present day. Some of their photographic works are just becoming available for collectors as photographic archival prints or canvas giclees for jazz enthusiasts today. **African Americans of Monterey County** Jan Batiste Adkins, 2015-01-19

People of African heritage have traveled to Monterey since the 1770s when African Spaniard Alexo Nino, a ship's caulker, traveled with Fr. Junipero Serra to Monterey via the San Antonio. For centuries since, Nino, black men, and women migrated to the Monterey Bay area in search of a new life. In the 20th century, some African Americans established businesses, bought homes, and encouraged family members and friends to settle in Monterey County. Others pursued military careers. Out of these communities came churches, schools, service organizations, and social groups. For the next century, the history of Monterey County's African American communities have mirrored the nation's slow progress toward integration with triumphs and setbacks that have been captured in images of employment opportunities, churches, business successes, and political struggles.

At each stage in the growth of this city, residents have successfully overcome the division of multiple rule, diverse nationalities, and fledgling identities to fashion a homeland in the western landscape of
