**Test of Faith** Dr. Roy Reynolds, 2022-12-02 Everyone has a life Right And each can tell a unique story Millions of them But have you ever put yourself in a picture where your normal life experiences stopped at age eleven years after meningitis and a prolonged coma yet you lived to be fifty nine years old living in a nursing home the rest of your life with multiple impairments This book is centered around Barbara a real life person described above who struggled with such a life from childhood Or think about Barbara s father who returning from a terrible war to the girl he left behind three and one half years earlier having a baby one year later then have your wife contract a fatal disease four months after the birth and watch her slowly die over the next five and one half years Imagine you are a woman having ten brothers and one sister and one day you drop out of high school to be servant to your brothers and father coal miners after your mother dies suddenly Would you marry without love in desperation to escape being a slave or possibly sexually threatened by your father How would you feel when your true love returns from the same war after years to find you plunged into marriage thinking he was killed in action because of deceit by his sister Would you feel depressed when he killed himself with alcohol What kind of stepmother would you become to someone like Barbara after marrying her father Experiences like these can test anyone s faith in a caring God but if you believe enough and keep your faith God will never forsake you He cares about each of us

Lessons for the Life of Faith Patrick Mead, 2009-04-09 Out of a sinful and secular world the Lord called Abraham to live a life of faith This entailed Abraham to leave everything he knew and travel to a land he had never seen Abraham boldly began his life of faith yet he still had moments of hesitation and delay throughout his life It wasn't until Abraham yielded himself fully to the will of God in his life of faith that he received the son of prophecy Isaac and safely brought him through the long journey to the Promise Land Although Abraham is considered the hero of faith he is in no way without his flaws In fact we can learn as much from his flaws as from his virtues In studying Abraham's life we'll notice his struggle to trust God especially when times get tough Every true believer faces conflicts and trials that test our ability to trust God therefore Abraham's life gives us much to glean from concerning the Christian pilgrimage

**Developing Life-Changing Faith** Carole Haygood, 2018-01-04 Developing Life Changing Faith contains the spiritual teachings from a 7 year journey to developing the faith that changed my life This journey started when I accidentally used faith to be healed from an infirmity that plagued me for many years Questioning how this miracle happened in this age I turned to the unused pages of my Bible to find my answer I saw what I had accidentally done that spurred the miracle and the simple requirement hidden in plain sight in its pages Over the following year the Spirit showed me misconceptions that blocked my ability to develop and use faith and showed me the common things I did that made it impossible for God to answer my prayers essentially tying God's hands against me Then I was taught what the foundation of faith really is the key or seed of faith explaining why knowing this key is vitally important to develop the kind of faith illustrated in Bible stories Through the subsequent years I was taught about the things for which we could pray and the things for which we should not pray and why the truth about tests of our faith why they are necessary why we should watch for them and how to pass them every time and how to use faith correctly highlighting biblical keys to give a complete understanding about faith Developing Life Changing Faith will give the readers the same teachings understandings tools keys and corrections to develop the faith that will change their lives It will lead them from feeling that their faith is not working to fully understanding how to develop and correctly use faith which will truly change their lives
