**Sunday-school Times** ,1887      **My Life of Ministry, Writing, Teaching, and Traveling** Mark G. Boyer,2021-02-04 In My Life of Ministry Writing Teaching and Traveling The Autobiography of an Old Mines Missionary I present my life as a child growing up in a French village about sixty miles south of St Louis in the middle of the twentieth century After eighteen years of life in Old Mines the oldest settlement in the state of Missouri I moved to St Louis for four years and then to St Meinrad Indiana for four years where education opened my eyes to a world very much larger than my village of origin Life continued for me after ordination as a priest in the Roman Catholic Church in Springfield and Joplin Missouri Because my life is the thread stitching together this book I have made it manageable by dividing it into four categories ministry writing teaching and travel These categories contain the stories of others whose life threads of seventy years are woven into my lifetime tapestry This is my autobiography one of a missionary from Old Mines to the thirty nine counties forming the southern third of the state of Missouri composed during my seventieth year of life      **Gems of Truth: A Bible Student's Devotional and a Bible Teacher's Resource Handbook** Dr. John Mannion,2024-09-24 Every day we are striving to figure out what we are doing here and how the Bible pertains to our everyday lives In Gems of Truth the second book in the Jewels from God s Word series Dr John Mannion explores the Scriptures to pull out gems of truth that will help us each day of the year to discover what God intends for each of us personally and how we can help others to grow Whether you are a counselor or a lay person each daily devotional offers thoughtful words of wisdom to help you grow in your knowledge of God s Word this year With hermeneutics mixed with daily living the reader will be inclined to dig deeper and uncover their own gems of truth as well      **Engaging the Old Testament** Dominick S. Hernández,2023-04-18 This introductory textbook invites students into the depths and riches of the Old Testament and shows the Old Testament s relevance for Christian readers Rising Latino evangelical Old Testament scholar Dominick Hern ndez demonstrates how to read Old Testament texts well and put the ancient written word into practice in our day and age Hern ndez shows that four core commitments put readers on the right trajectory for reading and applying the Old Testament to their lives 1 reading humbly 2 reading successively 3 reading entirely and 4 reading deliberately Students will learn how to become better readers of the text and how to read select Old Testament passages well paying attention to how the biblical authors used rhetorical techniques to provoke readers to action      **Quarterly Bulletin - Meadville Theological School** Meadville Theological School,1909 One issue of each volume is the school catalogue      **Tragedy of the Commons** Daniel J. D. Stulac,2023-11-27 Tragedy of the Commons invites readers into a fresh exploration of the book of 1 Samuel which tells the story of Saul Israel s first monarch and the personification of its chronic sins Stulac s unique voice combines sensitive exegesis with probing meditations on culture art literature memoir and Christian spirituality He cuts deftly through the moralistic reductions of Old Testament stories for which the church too often settles and in doing so reveals the life giving rhetoric of a biblical book aimed squarely at the reader s transformation of mind and heart Israel s common tragedy writes Stulac will be solved through a lengthening and a

deepening of the tragedy itself Finding his people up to their eyeballs in sewage God dives into the polluted abyss swims to the bottom and unplugs the pipe below their flailing feet From Hannah s miracle baby to Saul s suicide Tragedy helps readers to recognize both their own predilection for idols as well as the surprising ways that 1 Samuel anticipates the gospel of Jesus Christ King Saul serves not as a finger wagging argument for God s disengagement from his people s fate Stulac claims but as the shocking conduit of God s incarnational involvement in their corporate mess *Quarterly Bulletin - Meadville Theological School* ,1909 One issue of each volume is the school catalogue **The Dial** ,1905 *Genesis in Japan* Thomas Dabbs,2013-10-01 Genesis in Japan rises from a journal of reflections that were collected by the author while teaching the Bible to Japanese university students in Tokyo It relates the diverse responses to the Bible that rebound subtly but forcefully back to the teacher from these students extraordinary responses in that they are simple pure ordinary and entirely disorienting Teaching and learning the Bible in Japan has led the author to another view of the Bible one that stands in stark contrast with the Bible in the Bible heavy culture that was the author s beginning at a small crossroads in central South Carolina **Greek for Everyone** A. Chadwick Thornhill,2016-09-20 Who Says You Have to Attend Seminary to Learn Greek Reading the New Testament in its original language is one of the most effective ways to gain a greater understanding of the message of the Bible Even though Greek is important to preparation for preaching and teaching many who are called to ministry will not be able to dedicate years of study to master the language But a lack of mastery of Greek should not exclude us from gleaning important insight and inspiration from reading Scripture in its original language Now pastors Bible study instructors Sunday school teachers and serious lay students of the Bible can learn the basics of biblical Greek at their own pace Greek for Everyone explains how the Greek language works and introduces the Greek alphabet pronunciation vocabulary and grammar equipping readers to understand the original meaning of the New Testament By focusing on the takeaways that most impact interpretation this accessible book provides a working knowledge of biblical Greek for the study of Scripture **Report of Her Majesty's Commissioners Appointed to Inquire Into the Management and Government of the College of Maynooth** Great Britain. Maynooth Commission,1855 *Rethinking the Bible* Thomas Jay Oord,Richard Thompson,2018-04-25 Rethinking the Bible explains Scripture in ways that make sense and deepen Christian faith Its essays ask and answer central questions about Scripture such as What is the primary function of the Bible Can the Bible be trusted if it has errors What does divine inspiration mean if humans wrote the Bible How should preachers use the Bible today Does the Bible mean now what it meant when written How has archaeology changed the way we interpret the Bible Should the Dead Sea Scrolls affect our view of the Bible What authority does the Bible have matters of science Is the Bible a container of truth statements or tool for formation How should we handle contradictions we find in the Bible Should postmodernism influence how we read the Bible The standard answers to these questions no longer make sense Many people today seek a more adequate way to understand what the Bible is and does Those who ask deep questions about Scripture

want plausible answers This book offers answers to questions about the Bible that make sense in our time
