## Testament Of My Childhood:

*Can I Teach My Child Religion?* George Stewart, 1929      *NEBUCHADNEZZAR Is After My Child* Terry G. Gooding, 2018-01-15      **The Oxford Encyclopedia of the Bible and Gender Studies** Julia M. O'Brien, 2014 As the first major encyclopedia of its kind The Oxford Encyclopedia of the Bible and Gender Studies OEBGS is the go to source for scholars and students undertaking original research in the field Extending the work of nineteenth and twentieth century feminist scholarship and more recent queer studies the Encyclopedia seeks to advance the scholarly conversation by systematically exploring the ways in which gender is constructed in the diverse texts cultures and readers that constitute the world of the Bible With contributions from leading scholars in gender and biblical studies as well as contemporary gender theorists classicists archaeologists and ancient historians this comprehensive reference work reflects the diverse and interdisciplinary nature of the field and traces both historical and modern conceptions of gender and sexuality in the Bible The two volume Encyclopedia contains more than 160 entries ranging in length from 1 000 to 10 000 words Each entry includes bibliographic references and suggestions for further reading as well as a topical outline and index to aid in research The OEBGS builds upon the pioneering work of biblically focused gender theorists to help guide and encourage further gendered discussions of the Bible      Religious Thinking from Childhood to Adolescence Ronald Goldman, 2022-02-14 First published in 1964 *Religious Thinking from Childhood to Adolescence* describes the capacities of pupils of varying ages abilities and backgrounds to understand religious truths How concepts of the Bible of God of Jesus of Prayer and of the Church developed from the early years is seen within the psychological context of maturing thought and the implications for religious education which are provocative and far reaching are explored Teachers clergy and parents will find this book a challenge to reconsider not only how the growing child views what he is taught but also the reasons why he frequently misunderstands religious teaching By presenting a systematic account of religious thinking from 6 to 17 years Dr Goldman adds a new dimension to our insights into child development      To My Child, Hannah Masako Watanabe,      *For Theirs Is the Kingdom* Amy Lindeman Allen, 2019-04-10 Images of Jesus blessing children adorn Sunday schools across the globe Nevertheless interpreters typically flatten Jesus interaction with children into a handful of scenes suggesting that children were the exception rather than the rule in Jesus ministry In contrast historical evidence suggests that Jesus first century world was teeming with children Re reading Luke s gospel in this light *For Theirs Is the Kingdom* interrogates the role and presence of children among Jesus early followers Demonstrating a rich presence parallel to the gospel s surrounding cultures it offers a new perspective not only on Luke s child centered narratives but on the account as a whole By drawing out the acceptance and participation of children in the Kingdom of God Lindeman Allen places interdependence across generations at the core of Lukan discipleship      The Transformational Role of Discipleship in Mark 10:13-16 Katherine Joy Kihlstrom Timpte, 2021-10-07 Katherine Joy Kihlstrom Timpte addresses a gap in scholarship by answering the question how is a child

supposed to be the model recipient of the kingdom of God While most scholarship on Mark 10 13 16 agrees that children are metaphorically employed because of their qualities of dependence Timppte argues that it is more specifically an image of the disciple s radical transformation which both mirrors and reverses the traditional rites of passage by which a child became an adult Timppte suggests that Jesus by insisting that one must enter the Kingdom of God as a child invokes two interlacing images First to enter the Kingdom of God one must be fundamentally transformed and changed Second this transformation reverses the rite by which a child would have become an adult removing the adult s superior status Beginning with a summary of the scholarship surrounding children in the Bible Timppte explores the perception of children in the ancient world their rites of passage and entrance into adulthood and contrasting this with the processing of entering the kingdom of God while also highlighting childish characters in Mark Timppte concludes that to enter into the kingdom as a child means that one must strip off those things one gained by leaving childhood behind wealth respect family much like Jesus who throughout Mark s Gospel moves from powerful to powerless respected to despised and accepted by all to rejected even seemingly by God Jesus models transformation to childhood in an emphasis on what the Kingdom of God is like

**The World of Jesus and the Early Church** Craig A Evans,2022-05-03 How do religious texts impact the way communities of faith understand themselves In *The World of Jesus and the Early Church Identity and Interpretation in Early Communities of Faith* Craig Evans leads an interdisciplinary team of scholars to discover and explain how the dynamic relationship between text and community enabled ancient Christian and Jewish communities to define themselves To this end scholars composed two sets of essays The first examines how communities understood and defined themselves and the second looks at how sacred texts informed communities about their own self understanding and identity in earliest stages of Christianity and late Second Temple Judaism Whether revealing new understandings of Jesus before Pilate the rituals governing the execution and burial of criminals or the problems of dating ancient manuscripts *The World of Jesus and the Early Church* draws the reader into the world of the early Christian and Jewish communities in fresh and insightful ways *Testament of My Childhood [by] Robert de Roquebrune [pseud.]*.
