*Forty Years' Experience with the OECD Code of Liberalisation of Capital Movements* OECD,2002-10-15 This account of the accumulated OECD experience with capital account liberalisation provides timely and valuable reading for policy makers academics and financial practitioners alike **News Letter** United States. Department of State,1964

**Department of State News Letter** United States. Department of State,1964

*Varieties of Populism in Europe in Times of Crises* Manuela Caiani,Paolo Graziano,2021-03-26 Populism is booming across all the nuances of the political spectrum It occupies relevant positions in national parliaments in governmental coalitions with mainstream parties or as successful challengers of the political status quo This volume sheds new light on the topic from different methodological and theoretical angles and offers evidence from a variety of cases on the why and how questions on populism s emergence and consolidation in Europe over the past 30 years The volume composed of eight chapters investigates how different populist parties in the European Union have been affected by the various crises disentangling the role of the Great Recession vis vis other factors such as political and party system factors but also structural social changes or cultural opportunities in the growing strength of populist parties in various European countries More specifically the volume aims are to promote critical discussion on the concept of populism reflecting on its conceptual usability beyond the traditional party families to which it is usually related use a preliminary theoretical clarification to shed new light on the different ways in which populism has been articulated in the various European countries either in Continental and Southern Europe or in the lesser known and studied East Central countries since the economic crisis which has acted as an external shock for many party systems either giving birth to new political actors or consolidating existing ones investigate the connections between populism and the national contextual political and cultural specificities that can determine the development of different types of populisms across countries elaborating on different configurations of triggering conditions for populism and reflecting on the limitations of a discrete conceptualisation of the phenomenon The chapters in this book were originally published as a special issue of West European Politics

[Textbook of Paediatric Emergency Medicine - E-Book](#) Peter Cameron,Gary J. Browne,Biswadev Mitra,Stuart Dalziel,Simon Craig,2023-04-04 This leading text is essential reading for all those working in the paediatric emergency medicine setting who require concise highly practical guidance that incorporates the latest best practice and evidence based guidelines The Textbook of Paediatric Emergency Medicine

provides clear concise and comprehensive information to support clinicians in what can be a challenging area to provide care. It not only covers diagnosis and management of all common presentations but it also includes practical tips on communicating with both patients and their families. As a companion book to Cameron's Textbook of Adult Emergency Medicine, this volume is specifically tailored to the educational needs of emergency medicine trainees but is also expected to benefit others working in the emergency setting including paramedics and emergency nurse specialists. Concise chapters and key point boxes allow for the quick and easy retrieval of information. Comprehensive coverage of all major topics that present within paediatric emergency care. Practical tips on communicating with patients and their families. All key topics updated to include latest available evidence. New section on COVID 19 and Infection control. Expanded and enhanced coverage of the use of ultrasound in emergency care. An enhanced eBook version is included with purchase. The eBook allows you to access all the text, figures and references with the ability to search, customise your content, make notes and highlights and have content read aloud.
