Testing The Wicket From Trent Bridge To Lords:

Arlott David Rayvern Allen, 2014-03-01 John Arlott's rich Hampshire burr was the voice of BBC cricket commentary for many years from the great Test match radio broadcasts of the fifties to bucolic Sunday League on the television in the seventies. But he was also a distinguished journalist for the Guardian, a Liberal parliamentary candidate, a courageous opponent of apartheid in sport from the earliest opportunity and a connoisseur and imbibor of fine wine without equal. David Rayvern Allen's definitive biography was acclaimed on its first publication and won the Cricket Society's award for Cricket Book of the Year. Now reissued by Aurum in a new paperback edition to tie in with its publication of the author's authorised biography of E. W. Swanton, Arlott evokes both a broadcasting legend and a sensitive humane man whose graphic pensive and wry commentaries came to epitomise the sound of an English summer. Getting to Grips is a unique publication for cricket coaches and players of all ages. It offers skills, drills and practical solutions to common batting problems. Author Toby Radford uses his experience as an international batting coach to offer invaluable insight into what makes the world's best players so successful. He describes the Five Fundamentals of Batting, the basis of good batting, and uses an innovative mix of images and notes to clearly describe highly complex batting techniques and movements. This second expanded edition includes new technical analysis of international and county batsmen and offers practical guidance for players preparing for and managing their innings as well as how to cope with any unwanted yet inevitable runs of poor form. For coaches, there is a new and detailed breakdown of how to structure a one-to-one session with a batsman to quickly improve and maximize their potential.
