C. Sawyer,2003-04-01 A guide for English speaking readers to the mythology behind Richard Wagner s operas myths brought from the Orient to the shores of the Baltic The legends which have Siegfried for their central figure are found in their earlier written forms in the Eddas and the Sagas as preserved in Iceland They appear again in changed forms in the great medieval epic the Nibelungen Lied and in our own day notably in Wagner s majestic operas of the Nibelungen Ring At the time of original publication in 1904 W C Sawyer Ph D was Professor of the German Language and Lecturer on Teutonic Mythology in the University of the Pacific      **The Bulletin of the Hartford Public Library** Hartford Public Library,1913      The New International Encyclopædia Frank Moore Colby,Talcott Williams,1917      *The New International Encyclopaedia* ,1929      **TEUTONIC LEGENDS** W. Excerpt from *Teutonic Legends In the Nibelungen Lied and the Nibelungen Ring* Richard Wagner s operas based chiefly on the legends of Northern Europe are discovering to our English speaking people how little they know of the mythology of the race from which they are descended Not only the lovers of music but the students of folklore and of general literature are thus stirred to the pursuit of the old myths which so illustrate the peculiarities of our race and the history of our moral development Accordingly we begin to feel that we are no more at liberty in our day to be ignorant of Siegfried and Parsifal than of Hercules and the divine Achilles Moreover it is very natural that in the era of athletics in education we should take increased interest in the old hero myths and epic songs which glorify physical strength and moral courage About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      The New International Encyclopædia Daniel Coit Gilman,Harry Thurston Peck,Frank Moore Colby,1907
