**Cherokee** Giles Tippet, 2016-08-02 Acclaimed western storyteller Giles Tippet delivers a truly exciting novel of family pride and frontier violence As boss of the Half Moon ranch the biggest along the Gulf Coast of Texas Justa Williams is a chip

off the old man's block But when the old man ups and asks him for a dying man's favor it's Justa's duty to honor his words Even if that means taking 25 000 of company gold and riding blind into the blood soaked Cherokee battleground of Oklahoma Territory to look for a man who may not even be alive and settle an old score Odds are high things won't end up well but son of a gun at least this son knows how to point his and fire off bullet after bullet Now will a son pay for his father's past in blood Praise for Giles Tippet and The Bank Robbers Like True Grit a small masterpiece brilliantly written Newark News Spine jarring bullet biting intensity Houston Post Tough gutsy and fascinating NY Newsday Impressive authenticity Booklist His fiction is taught and gripping Houston Spectator Gunpoint Giles Tippet,2017-02-14 A legend in Western fiction Giles Tippet brings the relentless unforgiving West alive with bullet driven tales of honor and survival Justa Williams didn't build up his sprawling Half Moon ranch by sitting back on his spurs More often than not he had to invest a bullet or two or three or more as many as it takes to keep the unwanted off his property But when a scheming cattleman figures out a way to suck the ranch dry and kill off his prized possessions it's time for Justa to saddle up and hunt down the root of the problem And when Justa gets there there's no telling how many bullets it'll take to spell out R E V E N G E Praise for Giles Tippet Tippet can plot away with the best of them Dallas Morning News Like True Grit a small masterpiece brilliantly written Newark News Spine jarring bullet biting intensity Houston Post Tough gutsy and fascinating NY Newsday Impressive authenticity Booklist His fiction is taught and gripping Houston Spectator Tippet can write rough and tumble action superbly Chattanooga Times **Hoosier Banker** ,1927 **The Arkansas Banker** ,1919 **The Santa Claus Bank Robbery** A. C. Greene,1999 Master storyteller A C Greene re creates one of America's most bizarre holdups one that began as a lark On Christmas Eve 1927 four men set off to rob the First National Bank of Cisco Texas Soon the lark turned into a tragedy and at times a comedy of errors The robbers did not realize the car they had stolen for their get away was running on empty The leader did not anticipate the attention his disguise would draw even though it was a bright red Santa Claus suit And they could not have known that all of Cisco would have guns at hand because the Bankers Association had offered a reward of 5000 for any dead bank robber no questions asked The Santa Claus bank robbery set off a chain of events that would lead to violence and the death of six men and launch the largest manhunt Texas had ever seen A C Greene's factual account of the unusual crime reads like a novel fast paced full of unexpected turns and rich with the flavor of life in Texas at the beginning of the end of the Old West This new edition contains an Afterword with photographs some of them never before published and follow up information on the lives of the participants including the surviving robber witnesses and kidnap victims **Commercial West** ,1920 **The Lives and Times of Bonnie & Clyde** E. R. Milner,2003-07-01 Relying on primary sources oral history interviews personal memoirs newspaper articles official records diaries and letters E R Milner cuts through myth and legend to create this startling portrait of the real Bonnie and Clyde In his prologue Milner introduces Bonnie Parker and Clyde Barrow showing them as they drive along a rural Louisiana lane toward the ambush that

would put a dramatic end to their turbulent lives of crime Milner then traces their backgrounds noting the events that bring the two outlaws together The ensuing adventures of Bonnie and Clyde featured gun battles narrow escapes and captures frequent moves and of necessity several shifts in personnel over a short period of time It was a life of wild action betrayal and sometimes even gallantry In the abstract an aura of romance surrounded this violent pair Although the mythology surrounding Bonnie and Clyde is charged with drama and fascination Milner reveals the truth behind the bloody legend carefully gleaned materials from obscure locally published accounts previously untapped court records and archived but unpublished oral history accounts from some sixty victims neighbors relatives and police who were involved in the exploits of the infamous duo And the truth proves to be sufficiently exciting Romance aside the Barrow gang carved a grisly swath through Texas Arkansas Oklahoma and Missouri The string of deaths was long and real Akota Oklahoma sheriff severely wounded deputy killed Sherman Texas grocery clerk killed Temple Texas man killed as gang attempts to steal his car Joplin Missouri two officers killed Alma Arkansas police officer killed Croquette Texas prison guard killed Miami Oklahoma police officer killed Milner traces this violent path until 23 May 1934 when Bonnie and Clyde die in an ambush Even dead they draw crowds and are buried in a circus like atmosphere In death they continue to intrigue us in ways few criminals had before or have since
