In Texas from the 1880s to the 1930s women slowly regained their place by the bier Many worked while pregnant or raising children Most shouldered the additional weight of personal tragedies and persistent sexism All brought comfort to the bereaved in the isolation of the Texas frontier kept its cities free of deadly disease and revolutionized an industry that was just coming into its own *Texas Woman* Joan Johnston,2003-09-30 The New York Times bestselling author of *The Cowboy* *The Texan* and *The Loner* weaves her seductive magic once again as she journeys back to the lawless frontier of Nineteenth century Texas to bring us the story of two warring hearts and a seduction that began amid the fires of passion and treachery Cruz Guerrero wanted Sloan Stewart from the first moment he laid eyes on the headstrong beauty But Sloan eldest daughter of a wealthy cotton planter belonged to another man until the day she came to him a woman in trouble on the lawless frontier and he made her an offer she could not refuse Now he is ready to claim what is rightfully his even as a long ago betrayal threatens to tear her from his arms forever Sloan swore never to be used by a man again Only sheer desperation made her strike a bargain with the aristocratic nobleman Now he has come to collect on the vow they made together seducing her with tender words determined to make her want him as he wants her Caught in the bitter cross fire of a traitorous enemy and an embattled republic a man bound by honor and a woman wounded by passion must dare to trust in a love that s strong and wild and true **Texas Woman Widowed Twice and Becoming an Eagle** Danva York Meister,2012-06 Uniquely inspired and written as a memoir with practical application elements *Widowed Twice* shows how joy will come in the morning It offers a burst of refreshing hope and excitement explaining that your life is not over and that God still has a plan for you It features practical ideas and information that can enhance your life This book is not about doom and gloom but reveals that you have a choice to be sad or glad It is a story of a woman twice widowed who became like an eagle soaring above her circumstances and overcoming them This book is about stepping out into God s purpose for you and then letting go of the past whether it was good or bad looking forward to your future It will motivate you to listen to God s still small voice and let the next season in your life unfold **American Poland-China Record** American Poland-China Record Association,1922 **The Natural History of Texas** Brian R.
