Houston was a small town a dot in a vast frontier Extant written histories of Houston largely confine themselves to the small area within the city limits of the day leaving nearly forgotten the history of large rural areas that later fell beneath the city s late twentieth century urban sprawl One such area is that of upper Buffalo Bayou extending westward from downtown Houston to Katy European settlement here began at Piney Point in 1824 over a decade before Houston was founded Ox wagons full of cotton traveled across a seemingly endless tallgrass prairie from the Brazos River east to Harrisburg and later to Houston along the San Felipe Trail built in 1830 Also here Texan families fled eastward during the Runaway Scrape of 1836 immigrant German settlers trekked westward to new farms along the north bank of the bayou in the 1840s and newly freed African American families walked east toward Houston from Brazos plantations after Emancipation Pioneer settlers operated farms ranches and sawmills Near present day Shepherd Drive Reconstruction era cowboys assembled herds of longhorns and headed north along a southeastern branch of the Chisholm Trail Little physical evidence remains today of this former frontier world The Road to San Jacinto Dave Dyer,2025-09-17 2025 Winner of the Conservation Society of San Antonio Publication Award This book follows the route of Sam Houston s army from Gonzales to San Jacinto during the Texas Revolution The author visited every campsite or important location to see what is there now and to look for the footprints of the Texian army What is left over from his time What is there now Using both primary and secondary sources Dyer stitches together a historically accurate story of each site and illustrated it with his modern photos Directions to each site are provided to encourage readers to visit Many of these sites have no historical markers and have been forgotten or ignored The goal of this work is to encourage people to explore some forgotten local history by visiting these sites as a great way to gain an appreciation for Texas History An accompanying podcast will be made available to make it easy to listen to each description while visiting the sites The Goddess of War Dennis McCown,2013 John Wesley Hardin is the most famous gunfighter of the American Wild West The subject of conversations from the Mexican border to the rowdy saloons of Kansas he was the greatest celebrity of the age He wrote an autobiography but he only told what he wanted known and few have researched beyond that Today Hardin is an enigma Part of the mystery is his disastrous relationship with Helen Beulah Mrose yet she has not been researched at all Until now Helen Beulah s story is the final piece of the vast jigsaw of Hardin s life and legend Author Dennis McCown has delved into the mystery of Helen Beulah Researching from Florida to California and north to faraway Alaska McCown has uncovered one of the great tragedies of the Wild West He developed this into the story of those around John Wesley Hardin In the end this is a woman s story not a gunfighter s and it s also four biographies Hardin s story is told but so is Helen Mrose s Martin Mrose and Laura Jennings are little known today but their lives are integral to the mystery Written for a general audience the story includes footnotes for those interested in knowing more footnotes historian Leon Metz called the best I ve ever seen
