Dobie, 1992-02-29 Texas abounds with legends of buried treasure and lost mines The Big Bend country the Red River region McMullen County San Jacinto Nacogdoches and San Augustine are all treasure troves of tales of fabulous wealth that still lies just beyond man's reach These legends are as sizable as the state itself and J Frank Dobie perhaps Texas greatest historian devoted years of his life to collecting and cataloging them The stories in this first volume were originally published in 1924 by the Texas Folklore Society and represent some of the enduring tales that have embellished the history of the state Pelican Publishing Company is proud to present this wonderful collection in mass market paperback form as part of our Pelican Pouch series Included in this volume are The Legend of San Saba Lost Gold of the Llano Country Treasure Chest on the Nueces and Lost Mine Near Sabinal to name only a few Dobie

and misplaced riches across 168 counties in this comprehensive guide to the lost treasures of Texas Countless fortunes have disappeared into the vast expanse of the Lone Star State The history of the coast is cluttered with shipwrecks like that of the 1554 Spanish fleet Even when pirates such as Jean Laffite managed to get their ill gotten gains ashore their loot vanished just as completely as if it had sunk beneath the waves Entire mines including the ventures of Jim Bowie and San Saba Presidio have been reclaimed by the earth The unmarked caches of bandits like Jesse James and Pancho Villa still bedevil the dreams of treasure seekers today W Craig Gaines reveals what has been lost what has been found and what remains to be recovered

**The Lost Canyon of Gold** W.C. Jameson,2017-09 The legend of the Lost Adams Diggings is one of the most mythologized tales of lost treasure on the continent This true story starts with the discovery of the rich deposit of gold in a remote mountain range and ends with the author s own story of search and discovery in the twentieth century Spirits of the Border Ken Hudnall,Connie Wang,2003-10 *The Silver Madonna and Other Tales of America's Greatest Lost Treasures* W.C. Jameson,2013-07-12 The twenty four tales in this book are of the most famous lost treasures in America from a two foot statue reportedly made entirely of silver the Madonna to a cache of gold silver and jewelry that was rumored to also contain the first Bible in the Americas What makes these tales even more compelling is that none of these known to be lost treasures have been discovered although modern detecting technology has made them eminently discoverable Texas Myths and Legends Donna Ingham,2016-09 Each episode included in this book explores unusual phenomena strange events and mysteries in Texas s history From rumors of Jean Lafitte s buried treasures to the hanging of Chipita Rodriguez and the love story of Frenchy McCormick Texas Myths and Legends makes history fun and pulls back the curtain on some of the state s most fascinating and compelling stories

**Legends of Texas** Legends of Texas,1975 *Lost Mines and Treasure Tales of Oklahoma and Texas* Ivan Herring,2018-07-12 This book contains 92 stories of Lost Mines and Treasures of Oklahoma and Texas Many of the stories concern treasure hunters buried by the French British Indians and Colonial settlers during the many wars that rocked the area in the 18th and 19th centuries I found the data for this book while doing research on old mines for my series of books Mines of the American West The Lost Mines and Treasures were identified from articles in early American newspapers and other sources considered reliable Where possible for those lost treasures still to be found I have tried to tie them to modern mines or areas and include some background data on such areas In doing this some of them seemed to fall short in the area of fact and logic The reader should understand that this is a collection of data from old and new publications and not a focused specifically on the effort to find the specific properties although some research especially from a logic standpoint has been done If the reader can glean critical information from these original articles and the limited research that allows or helps him or her to locate a lost mine or lost treasure I wish him or her well and leave it to them to reap the rewards The print version of this book has been produced in the 8 1/2 X 11 format to keep the price low If done in 6 X 9 or smaller the book would be 2 or 3 times as many pages in length and would cost substantially more to increased on

demand print costs These seem to be heavily influenced by the total number of pages While this may be one of the seeming drawbacks to on demand printing the benefit of on demand printing is that specialty books such as this are now practical to publish where the target market may be relatively small and minimal returns to the author are acceptable *Legends of Texas* James Frank Dobie,1924 Proceedings of the 9th annual meeting 1923 of the Texas folk lore societyP p 263 268 Bibliography of Texas legends **Coronado's Children** James Frank Dobie,1980 Legends of Texas James Frank Dobie,1924 **Colorado Treasure Tales** ,
