Texas In Poetry 2:

Texas in Poetry 2 Billy Bob Hill, 2002 And of course one poem about Texas that is magnificent in its awfulness Lasca with memorable lines like Scratches don't count In Texas down by the Rio Grande **Adventures with a Texas Humanist** James Ward Lee, 2004 The author discusses the writers and trends in Texas literature beginning with early twentieth century writer J Frank Dobie and Larry McMurtry during the 1960s and places writers politicians and cultural leaders in the context of each age Texas High Schools Texas. State Department of Education, 1929 Catalogue of the University of Texas University of Texas, 1926 **Not Till We Are Lost** William Wenthe, 2003-10-31 William Wenthe's second collection of poetry is a personal amplification of a passage from Henry Thoreau's Walden Not till we are lost in other words not till we have lost the world do we begin to find ourselves and realize where we are and the infinite extent of our relations Beginning with the necessary dislocation and loss that accompany adulthood these strong and moving poems tell a story of a man's losing his way in the midst of personal tragedies the death of his parents and the end of a marriage only to discover the true depth of his connection with others and ultimately with the divine In a variety of free verse traditional forms and sonnets the poet begins to reassess his life and his art and considers the possibility that language may distance us from the real as much as bind us to it Both deeply personal and powerfully spiritual Not Till We Are Lost strives toward the rediscovery of relations to family and lover to culture to environment Whether in a desert canyon or a high rise hotel or wading waist deep in a river the poet solid and honest is always aware of his ties to history and its artistic representations The destination as well as the difficult means of arrival is love no mere word but a pain and sweetness in which loss and celebration converge

Jackson, 2005-10-25 Karle Wilson Baker was the best known Texas poet of the early twentieth century. Yet while many of her male contemporaries remain well known to Texas literature, she is not. Her energy and significant role in shaping the literature of Texas equaled those of Walter Prescott Webb or J. Frank Dobie, with whom she ranked as the first Fellows of the Texas Institute of Letters. Her modern lifestyle as an independent new woman and her active career as a writer, teacher, and lecturer placed her among the avant garde of women in the nation, although she lived in the small town of Nacogdoches. She was a multi-talented writer with a wide range of interests, yet she championed Texas and the history and natural beauty of East Texas above all else. Sarah R. Jackson's thoroughly researched biography of Karle Wilson Baker introduces her to a new generation. Baker's life also opens a window onto the literary times in which she lived and particularly the path of a woman making her way in the largely male-dominated world of nationally acclaimed writers. Beyond the literary insights, this book offers Jackson spotlights developments in East Texas, such as the discovery of oil and the founding of what would become Stephen F. Austin State University in Baker's hometown. Extensive work in a number of regional and state archives and interviews with many who remembered Baker allow Jackson to offer an account that is not only thorough but also lively and entertaining.

Texas High Schools, 1922 Texas Review, 1916 **This River Here**

Carmen Tafolla, 2014-07-01 San Antonio poet laureate Carmen Tafolla captures her hometown, the city of her ancestors, for the past three centuries in poems that celebrate its history as a cosmopolitan, multilingual cultural crossroads. Discover San Antonio's *corazón* in Tafolla's poetry, accompanied by historic and contemporary photographs that convey its enduring sense of place. A century ago, San Antonio gave Oscar Wilde a thrill of strange pleasure. J. Frank Dobie claimed that every Texan has two hometowns: his own and San Antonio. And Will Rogers declared it to be one of the three unique cities of America. To Larry McMurtry, San Antonio has kept an ambiance that all the rest of our cities lack. Carmen Tafolla calls forth the soul of this place, the holy home of the waters called *Yanaguana* by the *los indios*, and celebrates the many cultures that have made of it *un rebozo bordado de culturas y colores*.
