,1982-07 **Distribution Data Guide** ,1960 *City in a Garden* Andrew M. Busch,2017-05-16 The natural beauty of Austin Texas has always been central to the city s identity From the beginning city leaders residents planners and employers consistently imagined Austin as a natural place highlighting the region s environmental attributes as they marketed the city and planned for its growth Yet as Austin modernized and attracted an educated and skilled labor force the demand to preserve its natural spaces was used to justify economic and racial segregation This effort to create and maintain a city in a garden perpetuated uneven social and economic power relationships throughout the twentieth century In telling Austin s story Andrew M Busch invites readers to consider the wider implications of environmentally friendly urban development While Austin s mainstream environmental record is impressive its minority groups continue to live on the economic social and geographic margins of the city By demonstrating how the city s midcentury modernization and progressive movement sustained racial oppression restriction and uneven development in the decades that followed Busch reveals the darker ramifications of Austin s green growth **The Publishers Weekly** ,1996 Doin' Dirty Howard Swindle,2025-09-23 A year ago Dallas Homicide Detective Jeb Quinlin went through an alcohol rehab program that was rather more intense than usual as he double timed his treatment with tracking a serial killer on an AA agenda Now sober and taking things one day at a time on the job and cautiously but successfully involved with Madeline Meggers a woman he met in the Jitter Joint he s fragile but surviving Quinlin and his partner Paul McCarren s latest case involves the gruesome murder of an investigative reporter It seems that Richard Carlisle may have found more than he bargained for while following a lead on a hush hush story Tracing Carlisle s steps the case leads Quinlin back to his roots in the legendary Texas ranching country of Comanche Gap looking into the activities of the Colters a prominent and wealthy family But what could Carlisle possibly have found that was threatening enough to cost him his life The truth promises to be more far reaching more dangerous and much closer to home

than Quinlin can imagine pitting him McCarren and a few faces from Quinlin s past against one of the Lone Star State s most powerful families **Studies in Business and Economics** University of Houston.
