Texas Rebel John William Thomason,1941 **Republic** ,1877 Gettysburg's Most Hellish Battleground Phillip Thomas Tucker,2019-03-19 During the crucial three days of combat at Gettysburg the most nightmarish place on the entire battlefield was appropriately named the Devil s Den This jumble of huge boulders situated at the southern end of Houck s Ridge was truly a hell on earth during the decisive afternoon of July 2 1863 The tenacious struggle that raged beyond control at the battle line s southern end was all important because the Devil s Den and Houck s Ridge anchored the left flank of the over extended Union battle line before Federal troops occupied Little Round Top to the east The battle hardened veterans of

Lieutenant General James Longstreet's First Corps captured this vital sector the first Union left flank in one of the few Southern successes of the second day after some of the war's most bitter fighting. Nevertheless the dramatic story of the successful turning of the first Union left flank has been long overlooked and ignored largely because of the giant historical shadow cast by the more famous struggle at Little Round Top which was only the second and last fight for the southern flank of both armies on July 2. Therefore the important contest for possession of the first Union left flank at the Devil's Den and Houck's Ridge was crucial on the bloody afternoon that decided the fate of America. Includes 22 colour and sepia tinted photographs. Everything You Love Will Burn Vegas Tenold, 2018-02-20. The dark story of the shocking resurgence of white supremacist and nationalist groups and their path to political power. Six years ago Vegas Tenold embedded himself among the members of three of America's most ideologically extreme white nationalist groups: the KKK, the National Socialist Movement, and the Traditionalist Workers Party. At the time these groups were part of a disorganized counterculture that felt far from the mainstream. But since then all that has changed. Racially motivated violence has been on open display at rallies in Charlottesville, Berkeley, Pikesville, Phoenix, and Boston. Membership in white nationalist organizations is rising, and national politicians including the president are validating their perceived grievances. Everything You Love Will Burn offers a terrifying sobering inside look at these newly empowered movements from their conventions to backroom meetings with Republican operatives. Tenold introduces us to neo Nazis in Brooklyn, a millennial Klanswoman in Tennessee, and a rising star in the movement nicknamed the Little F by the Southern Poverty Law Center who understands political power and is organizing a grand coalition of far right groups to bring them into the mainstream. Everything You Love Will Burn takes readers to the dark paranoid underbelly of America, a world in which the white race is under threat and the enemy is everywhere.
