**1670-1870** Warren Swain, 2015-02-12 This book considers the development of contract law doctrine in England from 1670 to 1870 **The Greek Experience of India** Richard Stoneman, 2021-06-08 An exploration of how the Greeks reacted to and

interacted with India from the third to first centuries BCE When the Greeks and Macedonians in Alexander's army reached India in 326 BCE they entered a new and strange world They knew a few legends and travelers' tales but their categories of thought were inadequate to encompass what they witnessed The plants were unrecognizable their properties unknown The customs of the people were various and puzzling While Alexander's conquest was brief ending with his death in 323 BCE the Greeks would settle in the Indian region for the next two centuries forging an era of productive interactions between the two cultures The Greek Experience of India explores the various ways that the Greeks reacted to and constructed life in India during this fruitful period From observations about botany and mythology to social customs Richard Stoneman examines the surviving evidence of those who traveled to India Most particularly he offers a full and valuable look at Megasthenes ambassador of the Seleucid king Seleucus to Chandragupta Maurya and provides a detailed discussion of Megasthenes's now fragmentary book Indica Stoneman considers the art literature and philosophy of the Indo Greek kingdom and how cultural influences crossed in both directions with the Greeks introducing their writing coinage and sculptural and architectural forms while Greek craftsmen learned to work with new materials such as ivory and stucco and to probe the ideas of Buddhists and other ascetics *Making Legal History* Anthony Musson, Chantal Stebbings, 2012-01-26 The first book to

address the way that the broad and inclusive subject of legal history is researched and written **Marshall, Marshallians and Industrial Economics** Tiziano Raffaelli, Tamotsu Nishizawa, Simon Cook, 2011-03-28 The four sections of the book deal in succession with Marshall's key ideas on the subject the wider context of his thought in which they are to be read their later development by some of his pupils and their revival in contemporary economics The first and last sections work together to illustrate the evolutionary focus of Marshall's research program and to identify its affinity with modern industrial economics the second explicates the social assumptions within which the Marshallian paradigm was embedded in particular those relating to the various relationships that exist between individuals and wider groups while the third traces the development of Marshall's views by some of his pupils **The Making of Western Indology** Rosane Rocher, Ludo

Rocher, 2014-06-17 For thirty years in India at the cusp of the eighteenth and nineteenth centuries Henry Thomas Colebrooke

was an administrator and scholar with the East India Company The Making of Western Indology explains and evaluates Colebrooke's role as the founder of modern Indology The book discusses how Colebrooke embodies the significant passage from the speculative yearnings attendant on eighteenth century colonial expansion to the professional transnational ethos of nineteenth century intellectual life and scholarly enquiry It covers his career with the East India Company from a young writer to member of the supreme council and theorist of the Bengal government Highlighting how his unprecedented familiarity with a broad range of literature established him as the leading scholar of Sanskrit and president of the Asiatic Society in Calcutta it shows how Colebrooke went on to found the Royal Asiatic Society of Great Britain and Ireland and set standards for western Indology Written by renowned academics in the field of Indology and drawing on new sources this biography is a useful contribution to the reassessment of Oriental studies that is currently taking place
