Harriet Ayscough daughter of James Ayscough of Market Overton in Rutlandshire This lady was accordingly left in a state of pregnancy and appears to have given a premature birth to her only and posthumous child The helpless infant thus ushered into the world was of such an extremely diminutive size 2 and seemed of so perishable a frame that two women who were sent to Lady Pakenham s at North Witham to bring some medicine to strengthen him did not expect to find him alive on their return Providence however had otherwise decreed and that frail tenement which seemed scarcely able to imprison its immortal mind was destined to enjoy a vigorous maturity and to survive even the average term of human existence The estate of Woolsthorpe in the manor house of which this remarkable birth took place had been more than a hundred years in the possession of the family who came originally from Newton in Lancashire but who had previous to the purchase of Woolsthorpe settled at Westby in the county of Lincoln The manor house of which we have given an engraving is situated in a beautiful little valley remarkable for its copious wells of pure spring water on the west side of the river Witham which has its origin in the neighbourhood and commands an agreeable prospect to the east towards Colsterworth The manor of Woolsthorpe was worth only 30l per annum but Mrs Newton possessed another small estate at Sewstern 3 which raised the annual value of their property to about 80l and it is probable that the cultivation of the little farm on which she resided somewhat enlarged the limited income upon which she had to support herself and educate her child
