The SITMAR Liners Peter Plowman, 2004 Written primarily from an Australian perspective it covers the general development of the Sitmar company and its operations throughout the world From modest beginnings working for the International Refugee Organization it developed into a major passenger shipping company In the 1970s it entered the North American Cruise market *The Sitmar Liners Past and Present* Peter Plowman, 2004 Written primarily from an Australian perspective it covers the general development of the Sitmar company and its operations throughout the world From modest beginnings working for the International Refugee Organization it developed into a major passenger shipping company In the 1970s it entered the North American Cruise market **Picture History of British Ocean Liners, 1900 to the Present**

William H. Miller, 2001-01-01 This fascinating text and picture tribute documents both interiors and exteriors of majestic British ships such as the Viceroy of India the Orion Queen Mary Queen Elizabeth Windsor Castle Pacific Princess Royal Princess Crown Princess and Aurora Over 200 rare black and white illustrations provide views of the ships at sea and in port

Boat Trains: The English Channel & Ocean Liner Specials Martyn Pring, 2021-01-18 A study of the specialty train including its history development and operation beginning at the end of the nineteenth century In many ways this title featuring the evolution of cross channel boat trains and the many dedicated services responsible for moving international passengers to and from trans Atlantic steamers is an extension of luxury railway travel But that s not the full story as it encapsulates more than 125 years of independent and organised tourism development At the end of the nineteenth century faster and more stable twin screw vessels replaced cross channel paddlers resulting in a significant expansion in the numbers of day excursionists and short stay visitors heading to Belgium France and the Channel Islands Continental Europe as it had done since the end of the Napoleonic Wars beckoned introducing ideas of modern day mass tourism Numerous liners bestriding the globe were British domiciled Major ports became hives of commercial activity involving moving freight and mail as well as transporting all manner of travellers Not only was there intense competition for passenger traffic between the Old and New World and Britain s imperial interests greater numbers of well heeled tourists headed off to warmer winter climes and also experimented with the novel idea of using ocean steamers as hotels to visit an array of diverse destinations Cruise tourism and the itinerary had arrived as Ocean Special boat trains became essential components of railway and port procedures Whilst some railway operations were dedicated to emigrant traffic continental and ocean liner boat trains were also synonymous with the most glamorous travel services ever choreographed by shipping lines and railway companies working closely in tandem This well illustrated book explores the many functions of boat train travel This book should appeal to the rail fan the ship enthusiast the connoisseur of travel posters and those interested in the business of transportation I know of nowhere else one can find so much information on boat train operation in one book Well worth a read by anyone interested in the interconnectivity of different means of public transportation Charles H Bogart Steamship
