Contemporary Issues in The Balkans, Middle East, Asia & Africa Nesrin Kenar, 2022-08-22 This book entitled Contemporary Issues in The Balkans Middle East Asia Africa consists of various topics

and intends to focus on contemporary issues in The Balkans Middle East Asia Africa The content of this book was created on a regional basis because the crises and conflicts in the international arena are mostly experienced between the states in the same region and emerge as a result of the regional balance of power and regional dynamics in the region which is also called the geographical subsystem *Conflict and Commerce in Maritime East Asia* Xing Hang, 2015 A major new interpretation of the Zheng family of merchants and militarists who dominated the seventeenth century China Seas **Humanitarian Problems of Southeast Asia, 1977-78** United States. Congress. Senate. Committee on the Judiciary, 1978 *The Scars of Southeast Asia: Understanding the Human Toll of Conflict* Pasquale De Marco, 2025-03-19 In the annals of history the Vietnam War stands as a somber reminder of the devastating consequences of war and the complexities of international conflicts This comprehensive book delves into the depths of this tumultuous period shedding light on the historical political and human dimensions of the war that deeply scarred Southeast Asia and reverberated across the globe The book begins by examining the roots of the conflict tracing its origins to the aftermath of World War II and the subsequent division of Vietnam along the 17th parallel It explores the ideological clashes and regional tensions that fueled the war as well as the role of the United States and its domino theory in escalating the conflict With meticulous research and poignant storytelling the book delves into the human cost of the war It unveils the staggering civilian casualties the destruction of infrastructure and the lasting legacy of suffering caused by the indiscriminate use of chemical weapons The plight of refugees displaced from their homes and seeking asylum in foreign lands is also brought to light The book also examines the anti war movement that gained momentum during the conflict It highlights the protests demonstrations and acts of civil disobedience that challenged the government's narrative and called for an end to the war These movements reflected a growing disillusionment with the conduct of the war and its heavy human toll The fall of Saigon in 1975 marked a turning point in the war leading to the reunification of Vietnam under communist rule However the legacy of the war extended far beyond the battlefield The book explores the impact of the war on the United States leading to a period of soul searching and re evaluation of its role in international affairs and the limits of military intervention Through a multidisciplinary approach this book provides a comprehensive understanding of the Vietnam War It illuminates the complexities of the conflict its causes consequences and enduring impact contributing to a more nuanced understanding of this chapter in history This book is an essential resource for anyone seeking a deeper understanding of the Vietnam War and its profound implications on Southeast Asia and the world If you like this book write a review **Conflict Management and Dispute Settlement in East Asia** Ramses Amer, 2016-05-23 Through a multi disciplinary approach this volume studies the management and settlement of conflict and disputes in East Asia Conflict and disputes exist everywhere in human society The management and settlement of them has become an imperative This volume is a significant contribution to a broader understanding of the complexities involved in managing and settling disputes and conflicts at regional inter state and intra state levels in the East Asian region Drawing on

expertise in Peace and Conflict International Relations and International Law the volume presents to the reader a general picture of how conflict can be managed at the international and regional levels through various mechanisms in particular through prominent regional organizations such as ASEAN It then moves on to case studies at the regional level including inter state and intra state conflicts and disputes The last part of the volume highlights how states resolve their maritime disputes This has drawn much attention from the international community due to various factors such as the increasing demand for natural resources from the oceans These disputes disrupt the smooth development of international relations as well as trigger tensions and confrontation between states
