**How Should We Then Live?** Jay R. Leach, 2010-07-21 Many churches today have become ineffective to the kingdom of God because they no longer obey the mandate from our Lord Jesus Christ While many churches are boasting about numbers and membership the actual purpose of the Christian church making disciples seems to have gotten lost or overlooked Using illustrations and down to earth language Jay Leach unlocks practical principles that illustrate the growth of a disciple from rebirth to maturity Not only will we enjoy eternal life in the future but we will enjoy eternal life here and now How By knowing our Lord and Savior Jesus Christ In the Bible knowing carries with it the connotation of intimacy To enjoy eternal life now we must have a knowing and intimate relationship with Christ Relationship and intimacy bring with them the creation of a new nature and purpose of forward movement to a fruitful adult discipleship they also provide a clear understanding of salvation and the process of growing into a mature disciple The church can provide nurture through small groups and other team building ministries but to become a disciple requires a personal commitment How Should We Then Live will explain how to form this very special relationship with Jesus Christ
