Sixties In Canada:

The Sixties in Canada M. Athena Palaeologu, 2009 An extraordinary work that brings to life the events and trends of the 60s in Canada *Canada's 1960s* Bryan D. as a settler growing up in Kenora he reconstructs a period of turbulent protest and the responses it provoked from support to disbelief to outright hostility Indigenous organizers advocated for a wide range of issues from better employment opportunities to the recognition of nationhood by using such tactics as marches cultural production community organizing journalism and armed occupation They drew inspiration from global currents from black American freedom movements to Third World decolonization to challenge the inequalities and racial logics that shaped settler colonialism and daily life in Kenora Accessible and wide reaching Canada's Other Red Scare makes the case that Indigenous political protest during this period should be thought of as both local and transnational an urgent exercise in confronting the experience of settler colonialism in places and moments of protest when its logic and acts of dispossession are held up like a mirror

Canada enjoys a reputation as a peaceable kingdom and a refuge from militarism Yet Canadians during the Vietnam War era met American war resisters not with open arms but with political obstacles and public resistance and the border remained closed to what were then called draft dodgers and deserters Between 1965 and 1973 a small but active cadre of Canadian antiwar groups and peace activists launched campaigns to open the border Jessica Squires tells their story often in their own words Interviews and government documents reveal that although these groups ultimately met with success in the process shaping Canadian identity and Canada's relationship with the United States they had to overcome state surveillance and resistance from police politicians and bureaucrats Building Sanctuary not only brings to light overlooked links between the anti draft movement and Canadian immigration policy it challenges cherished notions about Canadian identity and Canada in the 1960s
